ANNUAL REPORT

MOTILAL NEHRU COLLEGE

UNIVERSITY OF DELHI

BENITO JUAREZ MARG, NEW DELHI- 110021

Prof. Shrivatsa
Officiating Principal

Motilal Nehru College welcomes you. It will be a matter of immense pleasure, should you become a part of our large family. The place of education in one's life may vary, but it always has an importance attached to it. We, in this College, are committed to provide you with an atmosphere which will take you to the very heights of intellectual excellence, a place which is free from all pollutants, and an environment where one can fully indulge in the pleasures of pure knowledge. You can choose any of the specified branches of learning and let genius flourish in this College of Delhi University, which is located in lush green and peaceful surroundings. The College also assures to further your interests, be it in the field of Sports, Culture or Leadership. The purpose of education is neither accumulation of knowledge-data nor the procurement of a degree, but to make this knowledge a part of your culture without which it has no meaning. In interacting with teachers of various subjects, one does not only attain what one gets from books, but also learns how to put across his/her point of view and communicates with the society. And you find that in this College, there are ample opportunities in this respect. All the subjects have their own importance and offer challenges, though of different kinds, and every subject, therefore, demands concentration and dedication. This 'demand' or better called 'expectation' is a wonderful word.

We always keep on expecting from others and when others do not come up to our expectations, we curse them. But we should also learn that others also expect something from us. It would give us an opportunity for introspection. I know that you shall be having some expectations from the College you are going to join, and the College on its part shall do its utmost in this respect, but it is natural for the College to have some expectations from its would be students. It is a matter of great pleasure that the College has great tradition of fulfilling the expectations of its students. Many a student of this college has attained excellence in various fields where they are presently posted. Education gives meaning to life. The College makes it amply possible for you.

Motilal Nehru College is one of the largest constituent colleges of Delhi University. The year 2014 marks the Golden Jubilee of the college. Beginning with a humble setting in a government school building in

1964 with an enrollment of 300 students, the college shifted to its present location in 1989 and now has an enrollment of over 3000 students coming from all parts of India and from abroad.

The college boasts of a sprawling campus, huge library, technologically enabled conference room, spacious lecture theatres and excellent sports facilities. The entire campus is Wi-fi enabled and all students can have free uninterrupted access to internet connectivity. Over the past fifty years, our students and faculty members have brought laurels to the institution by excelling in academics, sports, social science and cultural activities. Our alumni have also done us proud with their achievements in administration, judiciary, entrepreneurship, creativity and other areas.

The current batch of enrolled students has continued with the tradition of excellence in academic and extra-curricular activities. Our students have done exceedingly well in the examinations with some securing University positions. We have scored hundred percent results in most departments.

We are privileged to have inspiring faculty members in the college. Besides imparting knowledge through their classes our teachers also engage in research that contributes to the University as well as to the society.

As an institution responsible towards its environment our college was among the first to adopt rain water harvesting. The college also constantly accesses newly developed technologies that minimize the use of our depleting natural resources. This year the college will make operational a compost pit in the college campus to maximize resource management in the college. The college is administered with the active help of an extremely efficient office staff that delivers prompt assistance to all students.

Glimpses of College Activities

History Created

Our student received Paralympic Silver Medal and ARJUNA Award

Mr. Praveen Kumar, Para Athlete won gold medal in Federation Cup National Junior Championships-2022

Mr Praveen Kumar, Para Athlete having deformity in one leg and feet from the birth itself is a unique high jumper. His height is just 1. 65 m and he had won Silver Medal in Tokyo Paralympics. On 4th June his coach Dr Satya pal just tried him by entering into Junior National Federation Cup Athletics Championships being held in Nanded (Gujarat) for able Athletes.

Great performance by Parveen Kumar this time too by winning gold medal and sailing over the bar at 2.06m height while competing with able athletes. It is unique performance by a para-athlete having deformity in one leg and feet and his own height is only 1.65m. His coach Dr Satyapal who has groomed him by very hard and continuous training at JN Stadium New Delhi has already achieved a distinction of producing 8 Arjuna Awardees in para-athletics and also trained lot of able athletes at national level.

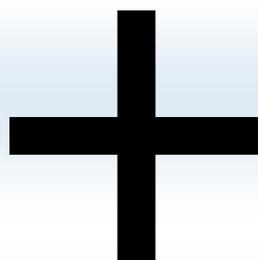

Intellectual Property Right

Title of the invention “SOLAR POWER BANK” has been accepted in India Patent Journal.

Memorandum of Understanding

About CDF: Connecting Dreams Foundation (CDF) aims to address the Sustainable Development Goals (SDG)-based challenges through entrepreneurial action and youth participation. CDF is working largely to utilize the potential of the youth and directing it towards activities that will lead to inclusive social development, enabling the achievement of SDGs. It provides the youth with an opportunity to bring about a sustainable and scalable change by working along the lines of 17 SDGs. CDF resolves a diverse set of challenges that align with the global narrative of SDGs, focusing on the multidimensionality of development from job creation, community development & empowerment, education, entrepreneurship, health, environment and many more.

About MLNC: Motilal Nehru College (MLNC), is a distinguished and reputable college of the University of Delhi. Chapter MLNC aims to bring about a fruitful change in the lives of people who need it. Currently we're working on three projects, namely Project Jazbaat, addressing the importance of mental health. Project Udyam, upskilling women and helping them gain financial independence. Project Dream Library, Providing Quality education to underprivileged children. We have three departments, Finance department, HR Department and Marketing department. We at MLNC strive to support and improve the lives of the needful, through our kind initiatives so as to develop wider hopes and possibilities for them.

PURPOSE OF MoU

Purpose: This MOU is being signed between Motilal Nehru College, University of Delhi and Connecting Dreams Foundation to implement the Changemaker Lab Programme and provide opportunities to students to understand the grass-root level challenges and solve them through systemic models of entrepreneurship initiatives. The programme members will be trained under the guidance and supervision of global experts drawn from both the parties and various universities and corporates. The Changemaker Lab Program is a semi-virtual, semi-physical institutional chapter of learning and local action. The proposed chapter trains the youth by creating SDG Champions and directs them towards the creation of sustainable business models that will carry the importance of sustainability. CDF follows a three-step theory of changemaking – collect challenges, create solutions, change lives by collaborating with different stakeholders, and supporting innovation.

To develop futuristic goals to become changemakers and SDG champions.

To embark on a journey to learn 21st century changemaking skills.

To sensitize students towards a sustainable future.

A. Report – English Subject Society

This year English Association, the Subject Society of Department of English, organised a series of activities under the convenorship of Ms Kuntal Tamang. The year began with the student body elections, which were held on October 28, 2021. Thereafter a student editorial board was constituted which began work on its departmental newsletter. Over the course of the year the student editorial board published four newsletters. It also published the ninth edition of the annual literary magazine of the English Department, *Logos* which was released on April 18, 2022, during the inauguration of LitCelebrate, the department's annual literary festival.

As part of its tradition of inviting distinguished academics, writers and theatre personalities to deliver talks, this year the English Subject Society held two talks. The first talk was delivered by the celebrated theatre personality, Barry John, Sangeet Natak Akademi and Sahitya Kala Parishad awardee. The second talk was delivered by the eminent academic Prof. Simi Malhotra, Head, Department of English, Jamia Milia Islamia. This was followed by an Orientation Programme for the First Year students in November and a students' welcome which was hosted online with much fanfare.

The year drew to a close with LitCelebrate, the department's annual literary festival which was held in the month of April. LitCelebrate was inaugurated by Prof. Manohar Khushalani, academic, film and theatre personality, who delivered a talk on Delhi's Amateur Theatre Scene. The two-day festival included a wide range of competitions which gave the participating students an opportunity to showcase their abilities to read, write and perform. Students from across India actively participated in Pen a Paper, Spoof, Soliloquy, Quiz, Slam Poetry, Debate, Podcast, Wordle and Just a Minute, making LitCelebrate as vibrant as it has been each year. The academic year came to a close with a Valedictory function where certificates were given away to student office bearers and student coordinators for various events held throughout the year.

1. Women Development Cell

The Women Development Cell of Motilal Nehru College acts as a mechanism of change that helped build safe space within campus for women. It's a platform where ideas are exchanged, discussed, opinions are formed and vocalized. It helps in building an inclusive space for all, irrespective of the gender you identify with.

The Women's Development Cell (WDC), Motilal Nehru College conducted a variety of events during the academic year 2021-2022. WDC provides a platform for open discussions on gender related issues to sensitize both the genders. The list of events executed are-

1. The women's Development Cell of Motilal Nehru College, organized an ICC Awareness March, to enlighten and address the consequences and punishments of sexual harassment. The march was followed by a webinar on the same which was addressed by Punita Maheshwari, Consultant, Gender and Sexuality at Jhatkaa.org and Ishani, Campaigns Manager, Gender and Sexuality, Jhatkaa.org. They discussed Campus Safety and the steps that the students can take if someone harasses them, they also spread awareness about the Internal Complaints Committee and how it works.
2. An open platform for the students was provided to exchange their thoughts on gender related issues under the aegis of '*TheyTalkSession*'.
3. An event throwing light on gender sensitization issues was executed.
4. WDC, MLNC organized a webinar on the topic - "Mental Health in the Pandemic" as an initiative to help deal with stress and anxiety in COVID-19 times on 18 September 2021. The speakers Dr. Chumki Bose, the Counselling Psychologist at Mindtribe and Dr. Anuna Bordoloi, the Consultant Clinical Psychologist in the Department of Mental Health and Behavioral Science at Fortis Healthcare shared a lot of helpful advice.

Various monthly webinars would be conducted on various selected themes with the aim of spreading awareness among students.

5. The Women's Development Cell of Motilal Nehru College organised its annual fest BEBAKH on the Fifth and Sixth April 2022. The theme for this year's fest was *Ignorance Isn't Bliss: Importance of Sex Education and Pride not Prejudice: Introduction to Body Autonomy.*
6. The Women's Development Cell of Motilal Nehru College organised a series named "Rehnuma", from 15th to 17th February 2022, during which the speakers named Advocate Meenu Padha (Advocate, High Court, Jammu and Kashmir and Ladakh), Aishwarya S Iyer (Senior Reporter at Scroll.in), and Captain Ritu Mehla (Retired Army Officer), shared their wisdom of their fields and enlightened the attendees about the difficulties they faced in achieving the level of success.
7. Various webinars were conducted on topics like- Toxic positivity; implications of pornography; intersectional feminism; gender stereotypes in profession; patriarchy and vocabulary etc.

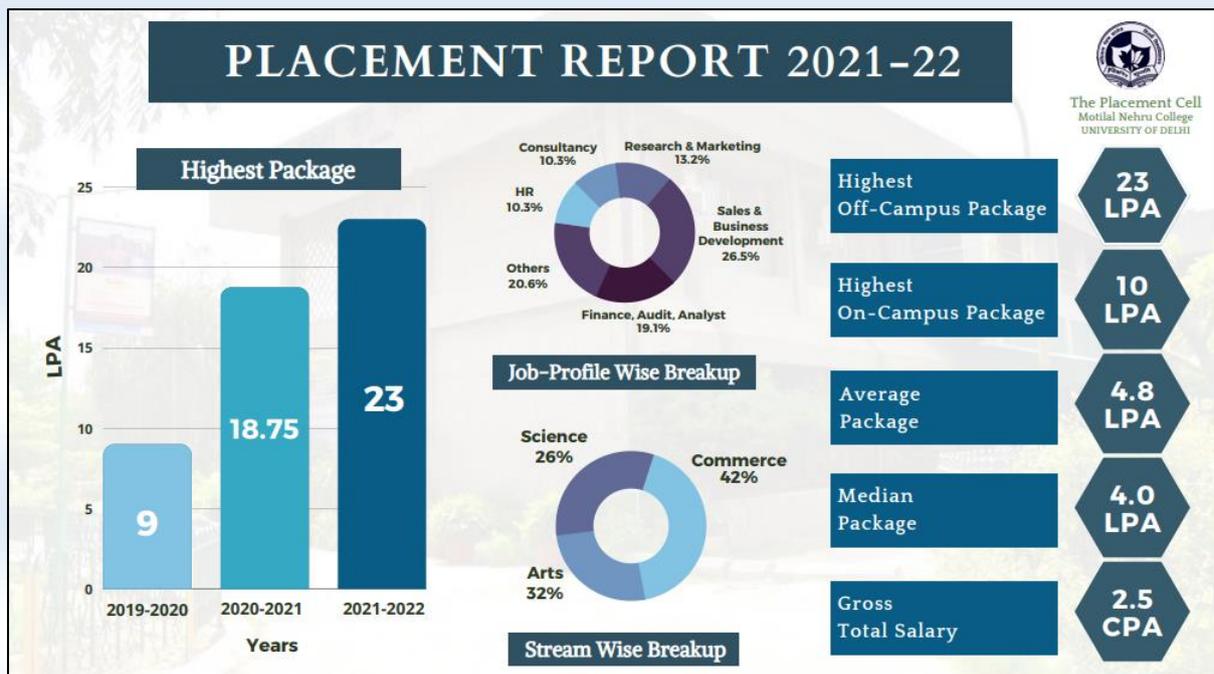

2. Placement Cell

The Placement Cell is one of the most active entities of the college which attends to the placements of its students. One of the main objectives of the Cell is to foster corporate-ready individuals by encouraging its students to engage with the corporate world as much as possible. The purview of the Cell not only includes the provision of internships and placement opportunities, but also the overall development of students by organizing workshops, webinars/seminars, and articleships on topics ranging from soft skills to industrially relevant technical knowledge. The Placement Cell ventures to establish an enduring bond with its collaborators, helping students to attain the best of opportunities.

For the session of 2021-22, the placement process is still going on for a few companies. However, a total of 54 companies have visited our college till now for the placement of the batch of 2022. Around 700 students sat for placements in this session out of which 60+ students have been placed in renowned organizations. The highest package offered till now on-campus is 10 LPA and off-campus is 23 LPA. The average package offered for the session is 4.65 LPA. Some of the major recruiters for the session are EY GDS, WTW, TresVista, upGrad, Cvent, PwC, and more. The Placement Cell collaborated with Infosys, HP inc., Aon, Nexdigm, Codeyoung, Cultfit, Ditto insurance, Leverage Edu, InternIn, and Phronesis Partners for the very first time and we hope to make our corporate relations stronger with them for the upcoming sessions.

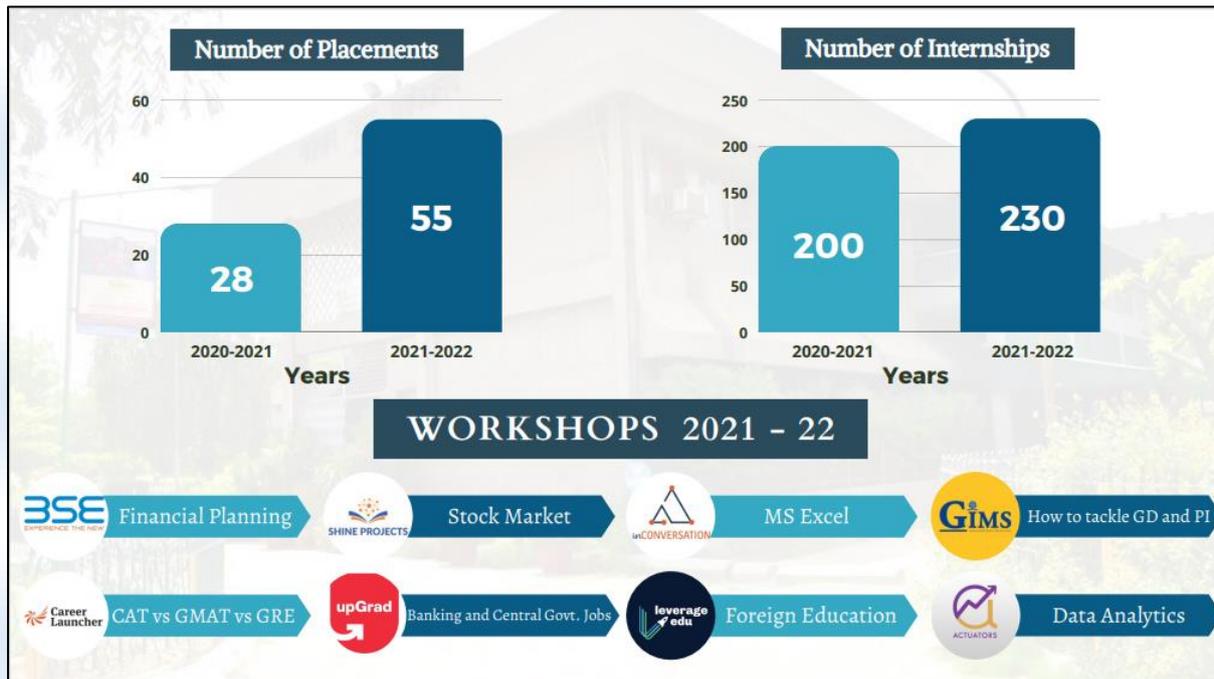

One of our major achievements for this session is CA Articleships. It was the first time that the Placement Cell has brought CA Articleship opportunities for the students of our college who are pursuing CA. We look forward to taking this collaboration ahead in upcoming years.

A total of 240 organizations have offered internship opportunities for our students and we are happy to share that many of them are selected for internships in Unacademy, Hindustan Times, Chegg India, WWF and more. The Placement Cell has always kept the interest of students as its priority and till now a total number of 29 programmes, workshops and webinars have been organized by the cell. Programmes of companies like Microsoft, Wipro, and KPMG were made available for the students of our college. Secondly, webinars from EY, Career

Launcher, Leverage Edu were also organized. Additionally, workshops on Data Analysis, MS-Excel and Personality and Resume Building were conducted to develop the skill-sets of the students.

Though the session was completely online and companies were not able to carry out offline placement drives, the Cell strived towards bridging the gap between opportunities and its students and achieved great success.

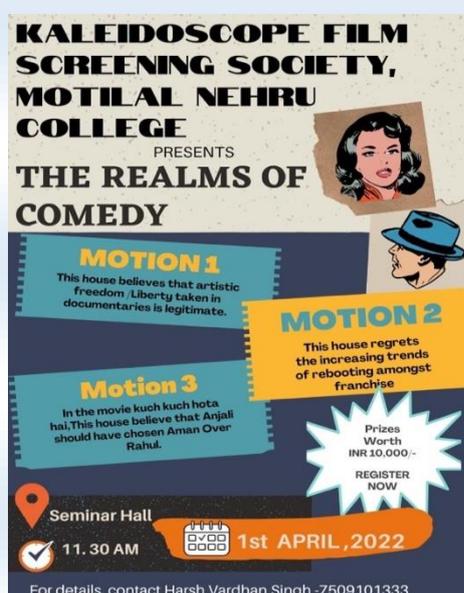

3. Alumni Committee

The Alumni Committee created a Google form to collect and consolidate basic data about the alumni, i.e., name, course, year of graduation, contact details, work-profile, awards/distinctions, etc. A good number of responses were received. It also held an online meeting on 12 February 2022 with the Alumni Association's office bearers in order to discuss and chalk out a road map for building a sustained engagement with the alumni. The Committee also initiated the alumni talk series 'Vox Alumni' and organized two online talk sessions by four alumni from different batches. The speakers in the first session held on 25 April 2022 were Mr. V. B. N. Ram (batch of 1967), a senior corporate professional with over three decades of experience in public and private sector and a writer on geostrategic affairs; and Mr. Sandeep Gupta (batch of 1986), a chartered accountant and founder of M/s. Sandeep Rajender & Co.

Chartered Accountants. The speakers in the second session held on 28 April 2022 were Niladri Chakravarty (batch of 2015), a musician and music teacher; and Rishu Anurag (batch of 2017), Central Excise Inspector, Central Board of Indirect Taxes & Customs (CBIC). The speakers spoke on their varied experiences in the college, their academic and professional pursuits and their career trajectories. Both sessions received enthusiastic response from the alumni, faculty and students alike.

3. Film Screening Society- Kaleidoscope

The film screening society has had an eventful academic year which started with the screening of two films (documentary) namely ‘Sikendra - A life in transit’ and ‘Women who beat drums’ in the month of November, 2021. As a part of the screening we were grateful to have with us the director, Natasha Badhwar and the team of Karwan-e-Mohabbat who shared their experiences of making the films as well as the manner of intervention that determined the project.

In the month of December, we organised a Feminist film festival curated by Aanchal Kapur of Kriti. As a part of the festival, six films were screened. These included City Girls, Dreams on Wheels, The Grasshopper sleeps here, Love in the garden of consent, Our mountain valley home and Aika to the Baika. The best part of the festival apart from the films was that Aanchal Kapur brought on board film directors, producers and even actors who shared their experiences and, in the process, initiated a discussion on feminism.

In January, the society screened two short films, Thappad and Pinni. This was an inhouse event and really enjoyable. The student body curated and conducted the event and the feedback was very encouraging.

The society organized its annual fest, Chalchitra on 31st March and 1st April. The festival this year had the theme of “The Realms of Comedy”. As a part of the festival various events were held. Some of these took place online, namely a Sitcom quiz- ‘That’s What Who Said.’ Other events included screening of two short films as well as a ‘Conventional debate’ which was also conducted online.

4. Entrepreneurship Cell

The objective of E-Cell is to provide its members with the abilities they need to compete in this fast-paced world! We're all here to grow as a team and operate as a family in a close-knit culture! By offering experience working in a fullfledged start-up, we aspire to develop new talents and enhance existing ones. The session started with the aim to provide its members with a wide variety of knowledge covering almost all the major fields of the corporate world such as Finance, Marketing, Human resources, Operations, Management, Technology, Research and Development, etc.

During the session 2021-2022, Entrepreneurship Cell conducted multiple activities aimed at equipping its members with realworld business experience and skills. E-cell organized webinars on multiple topics such as Goal Setting, Financial Literacy, Stock Market, Resume Building, etc. conducted by corporate leaders such as Dhairya Gangwani, Adhishree Anand, Shikha Mittal, Sri Venkata Harsha.

10+ webinars and workshops were conducted. 26 blog posts were shared on the website. The use of Digital Marketing and use of SEO brought us 3700 clicks, 3600 unique visitors, and 77000 impressions within the span of 3 months.

5. Workload Committee

The committee had functioned smoothly during the academic year 2021-2022 and finalized tentative and final workloads of odd and even semesters for the academic year 2021-2022.

7. FINE ARTS SOCIETY

Online Workshop- Amidst the traumatizing pandemic we decided to Utilize this free time by learning something new. In the process we came up with the idea of online art workshops. "Chitrahaar - Kala ki baat _kalakar ke sath" was a series, of art workshops where the members of our society came forward to teach different artforms. Under Chitrahaar, had three workshops on portraits, acrylic painting and digital art. This initiative was a bid success and we'll continue it as a legacy.

Kaulatsav- Kaulatsav was an event under which we celebrated the festive season with the glorifying touch of art. The members of our society expressed themselves through various artforms. Festivals such as Durga Pooja, Halloween, and Ganesh Chaturthi were key highlights of Kaulatsav.

Kalamanjari- Kalamanjari was the annual Art and Craft fest of our society held on 7 April 2022. We had various competitions in our fest such as Poster making, Collage making, 7 min crafts and Rangoli making.

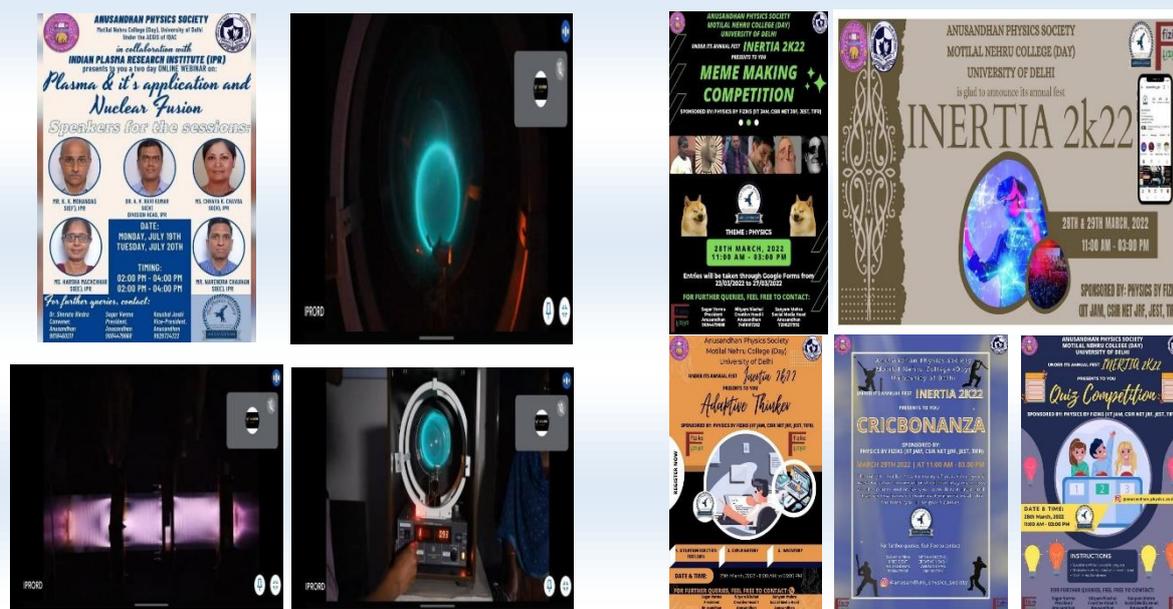

Rang-De-Bharat- To celebrate 75 years of independence of our country, we organised a art and craft competition named " Rang-de-Bharat". We received large number of entries from our college and various other colleges in this event. Participants came up with beautiful ideas and expressed their love for the country in unique ways.

8. ANUSANDHAAN- PHYSICS SOCIETY

We are heartily delighted to inform you all that during the academic year 2021- 22, Anusandhan, The Physics Society of Motilal Nehru College soared to great heights...

Starting with the very successful event, the webinar which was in collaboration with Institute of Plasma & Research, was a two days event where various experiments related to hot and cold plasma were performed. During the sessions there were around 80 participants from various colleges who participated actively during both the days.

Next event conducted is two-day webinar on Wearable Technology and Internet of Things and Ergonomics of Product Design by Prof. Nidhi Bhattacharya and Prof. Satyajib Bhattacharya, this was in turn a very successful event with maximum participation from various colleges.

Under the aegis of IQAC and in collaboration with RAD@Home, a very two-day Astronomy workshop was conducted where participants got trained to join Citizen Science Research on Black Hole, Galaxy Coevolution through RGB contour image analysis of UV- Optical – IR- Radio data. Last but not the least we had our Departmental Fest INERTIA-22, under the supervision of our convenor Dr. Simrata Bindra, the fest started with the inauguration of Departmental Magazine QUANTA-22, followed by 4 interesting events focusing both on academics and extra-curriculars – Quiz Competition, Adaptive Thinker, Cricbonanza & Meme making Competition.

The student union advisory committee has organised a webinar on the topic “Mental health and well being in COVID-19: A student’s perspective”. The speaker was Dr. Swati Bajpai who is an expert in her field.

The idea of ‘Aatmanirbharta’ is eternal. It is about the strength of the society and eternity of the nation. Yet the practical aspect of it is not only debatable in the present interdependent world but is also subject to push and pulls, pressures and challenges of resources originating from the decidedly unequal world.

Aatmanirbharta

On April 28, 2022 Committee organized an essay competition on the topic "Dr Ambedkar's thoughts and youth".

12. National Seminar Committee

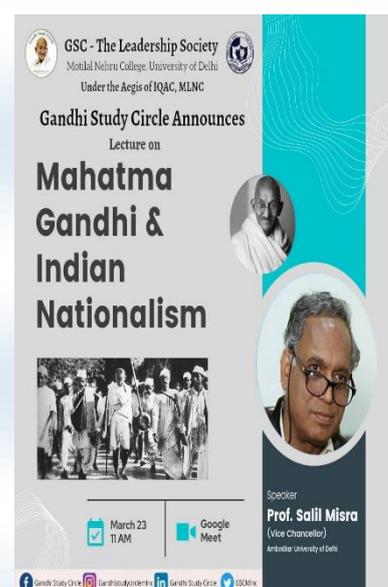

The organising committee welcomed research papers from a wide variety of interdisciplinary and theoretic perspectives. In the digital age, the discussion about the public sphere has become increasingly relevant and, at the same time, increasingly problematic. Computer-mediated communication has taken the place of coffeehouse discourse, and issues such as media ownership and commodification pose serious threats to the free flow of information and freedom of speech on the Web.

In examining these issues, the seminar proposes to look at contemporary India through a study of the literary, social, and political environment that both affects and is in turn affected by the public sphere.

13. Gandhi Study Circle

The Gandhi study circle, Motilal Nehru College (Day), University of Delhi organised a webinar on the theme “MAHATMA GANDHI AND INDIAN NATIONALISM” with the objective to create awareness about Gandhi Ideology amongst the students of MLNC. The resource person for the webinar was honourable **Prof. Salil Misra**, Department of History, Ambedkar University of Delhi.

Also, an immensely insightful Inter College Poetry competition was organised by Gandhi Study Circle of Motilal Nehru College (Day). The competition inspired the young poets to come forward and recite on stage. The student came up with their self-written poems on the given topic **Gandhi and His Preaching**. Keeping the same idea forefront, the students of different colleges were participated in the _posters making competition organised by the Gandhi study Circle Society of Motilal Nehru College. The students enthusiastically took part in the competition and made many wonderful and eye-catching posters.
