.....
An emergent meeting of Staff Council was held on 02.01.18 at 10.30 A.M. in the Staff Room. Members, as per list enclosed, were present in the meeting. Acting Principal; Dr. Subhasis Haldar presided over the meeting.

As per agenda i.e. feasibility of 14/16 h/week direct teaching-learning workload for Associate/Assistant Professor, respectively, the esteemed members of council deliberated on the same. Keeping in view various aspects, the members opined variety of suggestions. Finally, the council resolved that:

- The implementation of 14/16 h/week of direct teaching-learning workload is not feasible unless UGC releases the IInd tranche of teaching posts as per OBC expansion.
- The ongoing working scheme i.e. 16/18 h/week be continued in the current academic semester.
- Proper proposal be prepared for demanding the IInd tranche of teaching posts (i.e. 32) under OBC expansion from UGC well substantiated with additional workload as per 14/16 h of teaching-learning activity/week for Associate/Assistant professor, respectively.
- The Process of uplifting the sanctioned cap on teaching posts (i.e. 150) should be immediately expedited by sending the well-prepared proposal to UGC and consistent pursuance thereafter.
- The spirit of reservation roster be strictly adhered to, while proposing the incoming teaching posts as per 14/16 h/week direct teaching-learning workload for Associate/Assistant professor, respectively.

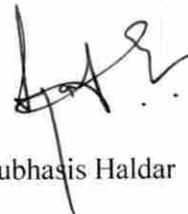

The chairman assured the house to knock UGC for demanding the IInd tranche of teaching posts under OBC expansion at the earliest.

The meeting ended with the thanks to the chair.
