FROM THE PRINCIPAL'S DESK

Education at Motilal Nehru College has always transcended the boundaries of traditional classrooms. Our diverse student societies are the lifeblood of our vibrant campus, serving as dynamic platforms for holistic development, leadership, and intellectual exploration.

It gives me immense pleasure to present the Annual Activity Report. This document is a comprehensive chronicle of the dedication, creativity, and hard work exhibited by our student bodies over the past academic year. The myriad events, seminars, and creative initiatives documented in these pages reflect our institution's unwavering commitment to nurturing well-rounded individuals who are prepared to make meaningful contributions to society.

The continuous growth and success of these student societies would not be possible without the steadfast guidance of our faculty. I commend the resolute efforts of our Convenor, Mr. Karamveer Dhurandhar, and Co-convenor, Dr. Moolchandra Singh, whose leadership and mentorship have been instrumental in facilitating these institutional endeavors.

I also extend my appreciation to the Media Cell for their meticulous effort in compiling and structuring this unified annual report.

As we reflect on the significant milestones achieved this year, I encourage every student to sustain this momentum of excellence and continue embracing collaborative opportunities. My best wishes to all the society members, faculty advisors, and students for their future academic and extracurricular pursuits.

Warm regards,

Prof. Yogeshwar Sharma

Principal, Motilal Nehru College

OVERVIEW :

The Annual Activity Report represents a centralized effort to document the vibrant extracurricular, co-curricular, and cultural landscape of Motilal Nehru College. Spearheaded by the Media Cell, this initiative was conceptualized to consolidate the milestones, events, and achievements of every student society into a single, comprehensive institutional archive.

The primary objective of this compilation is to provide a unified overview of the diverse opportunities available to our students, reflecting the collective energy and intellectual rigor that define our campus life. By bringing these individual society reports together, we aim to preserve institutional memory and foster a greater sense of cross-disciplinary appreciation among the student body.

A project of this scale relies heavily on seamless coordination and institutional synergy. We extend our sincere gratitude to the core team members, presidents, and representatives of all the participating societies. Your promptness in submitting the activity reports within the stipulated deadlines, coupled with your strict adherence to the prescribed formatting guidelines, was deeply appreciated. This discipline and cooperation were instrumental in streamlining the editorial process and bringing this compilation to fruition without delay.

This report stands not just as a record of events, but as a testament to the unity, professionalism, and collaborative spirit of the student societies at Motilal Nehru College.

Event:

I - Onboarding & Capacity Building Freshers Recruitment Drive

The annual term began in August 2025 with a phased recruitment drive aimed at attracting high-potential candidates passionate about social impact and consulting. To facilitate seamless communication, helpdesks were established to provide real-time assistance regarding society protocols, events, and procedures. Following an orientation session that detailed the society's departments and vision, a rigorous selection process was implemented, including application reviews, focused group discussions, and panel interviews. This selective approach resulted in an **acceptance rate of 5.3%** with the successful candidates being onboarded into the final cohort

Strategy Consulting Bootcamp

The leadership conducted a **month-long learning & development drive**, culminating in a two-day intensive strategy consulting bootcamp for the full cohort, covering essential industry frameworks such as financial modeling, market entry, and growth strategy. Through case-based exercises, members developed skills in

client communication and data-driven problem-solving, establishing a robust foundation for upcoming project work.

Internal Case Competition

Following the Strategy Consulting Bootcamp, consultant trainees were put to the test in an Internal Case Competition hosted on 22nd November, 2025 as a **simulation of a real-world consulting engagement**. Trainees were segregated into teams and presented with a real-life business problem statement, replicating the rigour and structure of professional case competitions. The competition spanned multiple rounds, requiring teams to develop structured analyses, strategic recommendations, and polished presentations. Presentations were evaluated by esteemed judges like Mr. Dhaval Kaku, from state entrepreneurship missions and leading consulting firms, providing participants with high-quality, industry-relevant feedback. The competition served as a practical capstone to the Bootcamp, sharpening the cohort's problem-solving, teamwork, and client communication skills under competitive conditions.

UNICEF Evaluation Training

In partnership with the Community of Evaluators - South Asia, the society hosted a capacity-building session on 24th January, 2026 led by **Ms. Rai Sengupta, an Evaluation Consultant at UNICEF**. The training introduced the cohort to Monitoring, Evaluation, and Learning (MEL), Theory of Change, using real-world policy case studies to enhance the team's impact-driven consulting methodology. This was monumental in the members' understanding and approach towards impact consulting, strategically aligning with the needs of the project clients.

II - Project Partnerships & Collaborations :

Strategic Partnership: Google Crowdsourcing

a) AI Evaluation Workshop

Google CLC facilitated a specialized campus workshop on 7th October, 2025 focused on Multimedia Generation and Prompt Engineering. Led by two industry experts from Google, the session provided

roughly 30 participants with practical training in generating AI-driven text, images, and video. Beyond technical demonstrations, the workshop explored the ethical dimensions of AI and the importance of human-centric creative direction, concluding with a collaborative Q&A session.

b) **Google Crowdsourcing Summit – Office Visit**

Building on the workshop's success, top consultants were invited to Google's Gurgaon office for the Crowdsourcing Summit. Over several months, the team contributed to the refinement of Gemini 2.5 Pro, performing reliability assessments through multimedia generation and aspirational prompting. Their work addressed critical themes such as academia, inclusivity, and cultural representation, earning the contingent several awards in the platinum and diamond categories.

Project Collaboration: Child Rights and You (CRY)

We successfully executed two impactful strategy consulting projects for Child Rights and You (CRY), one of the foremost national NGOs dedicated to upholding children's rights to education, health, and safety across India. These projects were conducted in a **cross-institutional partnership with MDI Gurgaon, IIT (ISM) Dhanbad, and IIM Indore**, mobilizing a diverse consulting team. The comprehensive project scope encompassed critical areas such as advanced pedagogical consulting, large-scale organizational strategic realignment, and resource mobilisation frameworks, all designed to exponentially expand CRY's national reach and ensure sustainable impact for underprivileged children nationwide.

III - Awards & Recognition

Global Consulting Awards 2025: Honourable Mention

180DC MLNC earned an Honourable Mention at the 2025 Global Consulting Awards for its collaboration with Innovation Mission Punjab on the Fail Fast program, acting as portfolio managers for their two consecutive cohorts. Consultants helped form 0-1 strategy for startups across a plethora of industries -

energy, recreation, healthy snacking, gifting, etc. This accolade highlights the team's strategic excellence and successful partnership with the leadership, including CEO Somveer Anand and COO Ashish Mehta.

Punjab Startup Fair, Chandigarh

On 22nd August, 2025, the project consultants were invited by Innovation Mission Punjab to the Punjab Startup Fair in Chandigarh, where they served as portfolio managers for over 15 startups. This engagement provided exposure to prominent industry entrepreneurs and allowed the team to represent their client's interests within the broader startup ecosystem. This fun-filled showcase was graced by esteemed entrepreneurs, from Lahori Zeera to Just Herbs; among other names.

Best North Indian Branch Award

At the Delhi Summit 2025, held on 11 October at Jesus and Mary College, our team joined the annual gathering hosted by the 180 Degrees Consulting Global Leadership Team (GLT). This event served as a platform for collaborative exchange and networking among over 20 branches and GLT representatives. Highlighting the session, 180DC MLNC was honored with the **Best North Indian Branch Award**, a prestigious accolade reflecting the chapter's exceptional impact, cultural strength, and performance throughout the term.

Aadhaar

Introduction: Founded in 2004, Aadhaar is the theatre society of Motilal Nehru College and has steadily built a strong presence in the college theatre circuit. Now functioning as a part of the Delhi Collegiate Theatre Circuit (DCTC), the society actively contributes to the vibrant culture of inter-college theatre in Delhi. Over the years, Aadhaar has become a space for students to explore creativity, express ideas, and engage with socially relevant themes through performance. The society works across both stage plays and street plays, allowing members to experiment with different styles of storytelling. While stage productions focus on detailed narratives, character development, and technical elements like lighting and set design, street plays are more direct and impactful, often addressing pressing social issues and connecting instantly with the audience. This dual approach helps members develop versatility as performers and storytellers. It stands as a collective that encourages artistic growth, teamwork, and meaningful expression, contributing to the larger theatre community.

Events:

1. Aarambh'26

Arambh is a collaborative initiative under the DCTC, aimed at fostering connection, learning, and creative exchange among theatre societies at the college level. As a part of this effort, Aadhaar Theatre Society actively contributes by inviting second-year members from various societies to participate in a two-day workshop-style experience. These sessions are designed to be interactive, engaging, and fun—creating a space where participants can explore theatre beyond competition. Through games, exercises, and collaborative activities, Arambh encourages bonding, skill-sharing, and mutual growth among emerging theatre practitioners.

Theatre Festivals:

Our annual street production “Kal-ankit” bagged Second Position in Sandarsh'26 organised by Bhagwan Parshuram Institute of Technology on 22 April 2026

Our Annual Stage play production: Neel-Kinaara won the best Direction A ward at Improv Theatre festival on 25 April 2026.

Our Annual Stage Play Production Neel Kinaara bagged 1st runners up position at Improv Theatre festival organized by Create theatre studio.

2. Mukaam'26 (Annual Society Fest of Aadhaar)

Mukaam, the annual cultural festival of the Aadhaar Theatre Society of Motilal Nehru College, is a celebration of creativity and theatrical expression. Featuring both stage play and street play competitions, it brings together diverse theatre groups from across the collegiate circuit.

Day 1 of Mukaam is dedicated to the street play competition, a powerful and engaging segment that brings together teams from the Delhi Collegiate Theatre Circuit (DCTC). This day celebrates the raw, immediate, and impactful nature of street theatre, where performances move beyond conventional stages and connect directly with the public. Teams are invited to present their street plays on a wide range of socially relevant themes—addressing issues such as inequality, justice, gender, environment, and more. These performances are designed not just to entertain, but to provoke thought, spark dialogue, and create awareness among diverse audiences.

Day 2 of Mukaam is devoted to the stage play event, offering a contrasting yet equally enriching theatrical experience. While Day 1 thrives on the immediacy of street performances, Day 2 shifts the focus to the depth, detail, and technical finesse of proscenium theatre. Teams are invited to present their stage productions, bringing with the carefully crafted narratives, nuanced characterizations, and thoughtfully designed elements such as lighting, sound, set, and costumes. This segment allows performers to explore theatre in its more structured and layered form, where attention to detail and coordination between various theatrical components become central to the performance. Mukaam ensures that these productions are not limited to a single setting. Along with performances within the college, teams are also provided opportunities to perform in curated theatre spaces beyond the campus like Urban fringe Studio. This exposure enables participants to engage with diverse audiences and adapt to different stage environments, enhancing both their technical understanding and stage confidence.

अभिव्यंजना: हिंदी वाद-विवाद, कविता एवं रचनात्मक लेखन समाज

परिचय

अभिव्यंजना: हिंदी वाद-विवाद, कविता एवं रचनात्मक लेखन समाज मोतीलाल नेहरू महाविद्यालय के सबसे पुराने समाजों में से एक है। अभिव्यंजना अपने सदस्य-छात्रों के माध्यम से परिसर व परिसर के माध्यम से समाज में एक स्वस्थ संवाद से जनित विमर्श को प्रोत्साहित करता है। समाज की स्थापना वर्ष 2008 में हुई थी व तब से निरंतर यह परिसर में सक्रिय उपस्थिति दर्ज करवाता रहा है। 2025-2026 के अकादमिक वर्ष के दौरान, समाज ने सक्रिय रूप से ऐसे कदम उठाए जो स्वस्थ तर्क, संवाद व चिंतन कौशल के विकास से बौद्धिक विमर्श को पुष्ट करें। 18 वर्ष पुरानी एक बड़ी विरासत के उत्तराधिकारी होने से हम निरंतर नवोन्मेष को बढ़ावा देने को कटिबद्ध हैं व महाविद्यालय को समावेशी विमर्श का केंद्र बनाने, वैकल्पिक दृष्टिकोण को स्थान देने, छात्रों के विचारों की अभिव्यक्ति व बौद्धिक कौशल हेतु सतत प्रयासरत हैं।

अभिव्यक्ति'26 (सत्रहवां संस्करण)

दिनांक: 11-12-13 अप्रैल 2026

‘अभिव्यक्ति’ केवल एक वार्षिकोत्सव नहीं, बल्कि अभिव्यंजना: हिंदी वाद-विवाद, कविता एवं रचनात्मक लेखन समाज की सत्रह वर्षीय सृजनशील परंपरा का जीवंत विस्तार है। यह उन शब्दों, विचारों और विमर्शों की सतत यात्रा है, जिसने वर्षों से विद्यार्थियों को अपनी वैचारिक एवं साहित्यिक अभिव्यक्ति के लिए एक सशक्त मंच प्रदान किया है। इसी गौरवशाली परंपरा को आगे बढ़ाते हुए 11, 12 एवं 13 अप्रैल 2026 को अभिव्यक्ति '26 का आयोजन अत्यंत उत्साह एवं गरिमा के साथ किया गया। तीन दिवसीय इस आयोजन ने महाविद्यालय परिसर को साहित्य, संवाद, विमर्श और रचनात्मकता के जीवंत केंद्र में परिवर्तित कर दिया।

उत्सव के अंतर्गत चार प्रतिष्ठित प्रतियोगिताएँ — 17वीं मोतीलाल नेहरू स्मृति संसदीय वाद-विवाद प्रतियोगिता, 17वीं सावित्रीबाई फुले स्मृति पारंपरिक वाद-विवाद प्रतियोगिता, मैथिलीशरण गुप्त स्मृति स्वरचित काव्यपाठ प्रतियोगिता तथा महादेवी वर्मा स्मृति रचनात्मक लेखन प्रतियोगिता — आयोजित की गईं। इन प्रतियोगिताओं ने प्रतिभागियों को अपनी तार्किक क्षमता, वैचारिक दृष्टि, साहित्यिक संवेदना एवं सृजनात्मक कौशल को प्रभावशाली रूप से प्रस्तुत करने का अवसर प्रदान किया।

कार्यक्रम का शुभारंभ 11 अप्रैल को मैथिलीशरण गुप्त स्मृति स्वरचित काव्यपाठ प्रतियोगिता से हुआ। विविध संवेदनाओं, समकालीन प्रश्नों और मानवीय अनुभवों को स्वर देती कविताओं ने वातावरण को साहित्यिक रस से आप्लावित कर दिया। प्रतियोगिता में श्री उमेश, सुश्री ज्योति एवं श्री तेजस शुक्ला ने निर्णायक की भूमिका निभाई। प्रतियोगिता में निधि कुमारी (हंसराज महाविद्यालय) ने प्रथम, प्रभव पंकज (हिन्दू महाविद्यालय) ने द्वितीय तथा गौरव तिवारी (डॉ. भीमराव अम्बेडकर विश्वविद्यालय) ने तृतीय स्थान प्राप्त किया।

इसी दिन 17वीं मोतीलाल नेहरू स्मृति संसदीय वाद-विवाद प्रतियोगिता का शुभारंभ हुआ, जो तीनों दिनों तक निरंतर चलती रही। दिल्ली विश्वविद्यालय की दूसरी सबसे पुरानी संसदीय वाद-विवाद प्रतियोगिता के रूप में स्थापित इस आयोजन ने प्रतिभागियों की तार्किक क्षमता, राजनीतिक समझ और वाक्पटुता का प्रभावशाली परिचय प्रस्तुत किया। समसामयिक एवं वैचारिक विषयों पर हुए विमर्शों ने पूरे परिसर को बौद्धिक ऊर्जा से भर दिया। प्रतियोगिता में अनीश

एवं सौरभ (शिवाजी ओपन) विजेता रहे, जबकि अभिनव कुमार झा एवं रेज़ा शर्मा (हिन्दू ओपन) उपविजेता घोषित किए गए।

12 अप्रैल को 17वीं सावित्रीबाई फुले स्मृति पारंपरिक वाद-विवाद प्रतियोगिता आयोजित की गई। इस वर्ष सदन के समक्ष विचारार्थ विषय रखा गया—

“यह सदन मानता है कि सामाजिक लोकतंत्र के बिना राजनीतिक लोकतंत्र केवल प्रभुत्व का राजनीतिक रंगमंच बन जाता है।”

विषय की गंभीरता एवं समकालीन प्रासंगिकता ने प्रतियोगिता को अत्यंत विचारोत्तेजक बना दिया। प्रतिभागियों ने सामाजिक न्याय, लोकतांत्रिक मूल्यों एवं सत्ता-संरचनाओं पर गहन विमर्श प्रस्तुत किए। प्रतियोगिता में श्री नील परमार, श्री शिवम शांडिल्य एवं श्री लौह कुमार ने अधिनिर्णायक की भूमिका निभाई। हिन्दू ओपन का दल, जिसमें यश एवं आदित्यकीर्ति सम्मिलित थे, सर्वश्रेष्ठ दल घोषित हुआ, जबकि लेडी श्रीराम महाविद्यालय (आर्या एवं कृष्णा) तथा शिवाजी महाविद्यालय (शशांक एवं भूमिका) क्रमशः द्वितीय एवं तृतीय सर्वश्रेष्ठ दल रहे।

समारोह के अंतिम दिन, 13 अप्रैल को महादेवी वर्मा स्मृति रचनात्मक लेखन प्रतियोगिता आयोजित की गई। प्रतिभागियों ने अपनी लेखनी के माध्यम से कल्पना, संवेदना और विचार की प्रभावशाली अभिव्यक्ति प्रस्तुत की। प्रतियोगिता में त्रिलोक चंद्र जागिड़ (हिन्दी विभाग, दिल्ली विश्वविद्यालय) ने प्रथम, प्रभव पंकज (हिन्दू महाविद्यालय) ने द्वितीय तथा हंसिका मलिक (स्वामी श्रद्धानंद महाविद्यालय) ने तृतीय स्थान प्राप्त किया।

अभिव्यंजना: हिंदी वाद-विवाद, कविता एवं रचनात्मक लेखन समाज दिल्ली विश्वविद्यालय का एकमात्र कॉलेज-समाज है जिसने सभी प्रतियोगिताओं के लिए रोलिंग ट्रॉफी की परंपरा आरंभ की है तथा कविता एवं रचनात्मक लेखन प्रतियोगिताओं हेतु ऐसी ट्रॉफी प्रारंभ करने वाला विश्वविद्यालय का प्रथम समाज भी है। यह उपलब्धि समाज की साहित्यिक प्रतिबद्धता एवं रचनात्मक दृष्टि को रेखांकित करती है। प्रतिभागियों, निर्णायकों एवं स्वयंसेवकों सहित 300 से अधिक विद्यार्थियों की सहभागिता वाले इस आयोजन में सहायक प्राध्यापकों, पत्रकारों, कंटेंट प्रोफेशनल्स एवं शोधार्थियों जैसी प्रतिष्ठित हस्तियों की गरिमामयी उपस्थिति रही। यह आयोजन महाविद्यालय के उस उदार, लोकतांत्रिक एवं प्रगतिशील वातावरण को प्रतिबिंबित करता है, जो विद्यार्थियों को आलोचनात्मक चिंतन, वैचारिक स्वतंत्रता एवं सार्थक असहमति की अभिव्यक्ति के लिए निरंतर प्रोत्साहित करता है। अभिव्यक्ति '26 ने एक बार पुनः सिद्ध किया कि यह आयोजन केवल प्रतियोगिताओं का समूह नहीं, बल्कि विचारों के मुक्त आदान-प्रदान, साहित्यिक चेतना, सृजनात्मक ऊर्जा और बौद्धिक संवाद का उत्सव है। यह अभिव्यंजना की उस जीवंत विरासत का प्रमाण है, जो प्रत्येक वर्ष नए आयाम गढ़ते हुए अभिव्यक्ति को और अधिक समृद्ध बनाती जा रही है।

4.0 लोकमान्य तिलक स्मृति नवागंतुक संसदीय वाद-विवाद प्रतियोगिता सह प्रशिक्षु अधिनिर्णायक प्रतियोगिता (प्रथम संस्करण)

अभिव्यंजना: हिंदी वाद-विवाद, कविता एवं रचनात्मक लेखन समाज, मोतीलाल नेहरू महाविद्यालय दिल्ली विश्वविद्यालय की दूसरी सबसे पुरानी संसदीय वाद-विवाद आयोजक समिति है। एक समाज के रूप में हमने सदा ही स्वस्थ विमर्श को अपना सर्वोच्च लक्ष्य समझा है जिसके परिणामस्वरूप हम पिछले 17 वर्षों से निरंतर अपने वार्षिकोत्सव 'अभिव्यक्ति' के अंतर्गत 'मोतीलाल नेहरू स्मृति संसदीय वाद-विवाद प्रतियोगिता' एवं 'सावित्रीबाई फुले स्मृति पारंपरिक वाद-विवाद प्रतियोगिता' का आयोजन कर रहा है।

स्वस्थ संवाद की परम्परा को आगे बढ़ाने की परम्परा का पालन करते हुए हमारे संयोजक श्री सौरभ सराफ के सानिध्य में एवं अध्यक्ष प्रितेश सिंह की अध्यक्षता में इस वर्ष 'अभिव्यंजना: हिंदी वाद-विवाद, कविता एवं रचनात्मक लेखन समाज, मोतीलाल नेहरू महाविद्यालय' ने दिल्ली विश्वविद्यालय के प्रथम वर्ष के छात्रों के लिए 'लोकमान्य तिलक स्मृति नवागंतुक संसदीय वाद-विवाद सह प्रशिक्षु अधिनिर्णायक प्रतियोगिता' के प्रथम संस्करण का श्रीगणेश किया। प्रथम संस्करण में ही 38 दलों एवं 33 प्रशिक्षु अधिनिर्णायकों ने प्रतिभाग किया एवं अपने विवेक के यथासंभव योगदान से विमर्श को पुष्ट किया।

यद्यपि सत्रह वर्ष पुरानी विरासत के उत्तराधिकारियों के रूप में नवाचार से हमारा परिचय नया नहीं है, तथापि यह नवाचार स्वयं में विशेष महत्व रखता है। इससे पहले भी रचनात्मक लेखन एवं कविता के क्षेत्र में 'चल-वैजयंती' शुरू करने से लेकर 'निनाद: ई-पत्रिका' के संपादन से होते हुए किसी भी संसदीय वाद-विवाद प्रतियोगिता में सर्वाधिक वक्तव्य समय निर्धारित करने तक हम निरंतर नवोन्मेष के प्रोत्साहक रहे हैं परन्तु इसकी विशिष्टता इस बात से है कि यह हमारे कई पूर्व सदस्यों के एक अपूर्ण स्वप्न था। ऐसे में हमारे पूर्व सदस्यों का भी इस कार्यक्रम में प्रशंसनीय योगदान रहा। इसी के साथ-साथ यह समाज द्वारा आयोजित इस वर्ष का प्रथम अंतर-महाविद्यालय कार्यक्रम था। हम आशा करते हैं कि महाविद्यालय में अभिव्यक्ति की स्वतंत्रता हेतु सदा प्रयासरत रहते हुए हम निरंतर नए कदम उठाते रहेंगे और प्रशासन इसी तरह से उनकी अनुशंसा करेंगे।

5. शैक्षणिक व प्रशिक्षण सत्र

5.1 विशेष सत्र : समाजशास्त्र और वाद-विवाद की सामाजिक दृष्टि

मुख्य वक्ता: श्री आदित्य मिश्रा; (शोधार्थी, भारतीय प्रौद्योगिकी संस्थान, गुवाहाटी)

दिनांक: 21 सितंबर 2025

इस सत्र का उद्देश्य सदस्यों को समाजशास्त्रीय अवधारणाओं की मूलभूत समझ प्रदान करना तथा यह स्पष्ट करना था कि वाद-विवाद केवल तर्क प्रस्तुत करने की कला नहीं, बल्कि समाज और उसकी संरचनाओं को गहराई से समझने का माध्यम भी है। भैया ने सामाजिक संस्थाओं, वर्गीय संरचना, सांस्कृतिक विविधताओं, सामाजिक परिवर्तन तथा समकालीन सामाजिक चुनौतियों पर विस्तारपूर्वक चर्चा की। उन्होंने अनेक व्यावहारिक उदाहरणों के माध्यम से यह समझाया कि किसी भी बहस में सामाजिक संदर्भों की सटीक समझ तर्कों को अधिक प्रभावशाली और प्रासंगिक बनाती है। यह सत्र सदस्यों के लिए अत्यंत ज्ञानवर्धक रहा तथा उनकी विश्लेषणात्मक सोच को एक नई दिशा प्रदान करने में सहायक सिद्ध हुआ।

5.2 सत्र : वाद-विवाद के निर्णयन (Adjudication) की कला और प्रक्रिया

मुख्य वक्ता: सुश्री सुहानी डोगरा (परास्नातक, लोक प्रशासन)

दिनांक: 25 सितंबर 2025

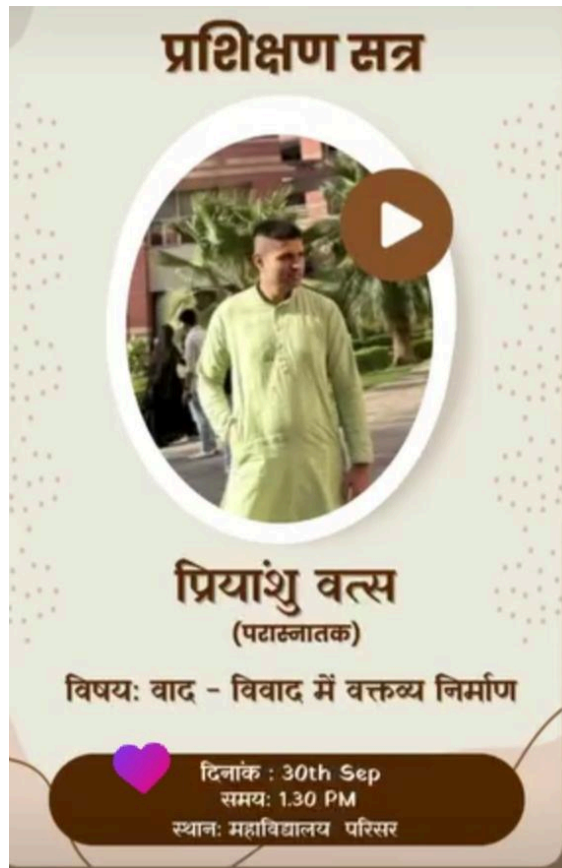

इस सत्र में उन्होंने एक निर्णायक की भूमिका, निष्पक्ष मूल्यांकन की आवश्यकता तथा निर्णय प्रक्रिया के विभिन्न तकनीकी पहलुओं पर विस्तार से चर्चा की। उन्होंने यह स्पष्ट किया कि किसी भाषण का मूल्यांकन केवल वक्ता की प्रस्तुति शैली के आधार पर नहीं, बल्कि तर्कों की गुणवत्ता, संरचना, विश्लेषण की गहराई, उदाहरणों की प्रासंगिकता तथा टीम समन्वय जैसे अनेक मानकों के आधार पर किया जाता है। सुहानी दीदी ने विभिन्न बहस प्रारूपों के संदर्भ में adjudication की बारीकियों को सरल उदाहरणों के माध्यम से समझाया, जिससे सदस्यों को निर्णायक दृष्टिकोण विकसित करने में सहायता मिली। यह सत्र प्रतिभागियों के लिए अत्यंत उपयोगी रहा और उन्हें एक बेहतर वक्ता एवं समीक्षक बनने की दिशा में प्रेरित किया।

5.3 सत्र : संसदीय वाद-विवाद की सामान्य तकनीकें एवं रणनीतियाँ
मुख्य वक्ता: श्री प्रियांशु वत्स (परास्नातक, दिल्ली विश्वविद्यालय)

दिनांक: 30 सितंबर 2025

इस सत्र में उन्होंने संसदीय बहस की संरचना, भाषणों के क्रम, टीम समन्वय, तर्क निर्माण, विश्लेषण की गहराई तथा प्रभावशाली rebuttal techniques जैसे महत्वपूर्ण पहलुओं पर विस्तारपूर्वक चर्चा की। साथ ही उन्होंने मंच पर आत्मविश्वास बनाए रखने, समय प्रबंधन करने तथा त्वरित सोच विकसित करने के व्यावहारिक उपाय भी साझा किए। यह सत्र प्रतिभागियों के लिए संसदीय वाद-विवाद की तकनीकी समझ को सुदृढ़ करने वाला सिद्ध हुआ और उनकी प्रतिस्पर्धात्मक तैयारी को नई दिशा प्रदान करने में सहायक रहा।

5.4 विशेष व्याख्यान : नारीवाद के सिद्धांत और समकालीन विमर्श
मुख्य वक्ता: प्रो. राधिका कुमार (आचार्या, राजनीति विज्ञान विभाग, मोतीलाल नेहरू महाविद्यालय)

Date: 1 अक्टूबर 2025

इस सत्र में उन्होंने नारीवाद की ऐतिहासिक पृष्ठभूमि, उसके विकासक्रम तथा विभिन्न वैचारिक धाराओं—जैसे उदारवादी, मार्क्सवादी, समाजवादी एवं उत्तर-आधुनिक नारीवाद—पर विस्तारपूर्वक चर्चा की। उन्होंने यह स्पष्ट किया कि नारीवाद केवल लैंगिक समानता की मांग तक सीमित नहीं, बल्कि सामाजिक संरचनाओं, शक्ति-संबंधों तथा सांस्कृतिक मान्यताओं की समालोचनात्मक समीक्षा का व्यापक विमर्श है। समकालीन समाज में नारीवादी चिंतन की प्रासंगिकता तथा उससे जुड़े सामाजिक-सांस्कृतिक प्रश्नों पर भी विस्तृत संवाद हुआ। यह सत्र सदस्यों के लिए वैचारिक

दृष्टि से अत्यंत समृद्धकारी सिद्ध हुआ और सामाजिक विमर्शों को अधिक संवेदनशील एवं विश्लेषणात्मक दृष्टिकोण से समझने की प्रेरणा प्रदान कर गया।

5.5 सूत्र : ग़ज़ल की संरचना एवं लेखन प्रक्रिया

मुख्य वक्ता: श्री अक्षय भूषण

दिनांक: 25 अक्टूबर 2025

इस सूत्र में उन्होंने ग़ज़ल की मूल संरचना, बहर, काफ़िया, रदीफ़ तथा उसकी लयात्मक विशेषताओं पर विस्तारपूर्वक चर्चा की। साथ ही ग़ज़ल लेखन की प्रक्रिया, भावों की अभिव्यक्ति तथा शब्दों के चयन की सूक्ष्मताओं को उदाहरणों के माध्यम से समझाया गया। यह सूत्र ग़ज़ल विधा को समझने एवं रचनात्मक लेखन कौशल को विकसित करने की दिशा में अत्यंत प्रेरणादायक सिद्ध हुआ।

5.6 सूत्र : कहानी लेखन की कला एवं संरचना

मुख्य वक्ता: मैत्रेय सौरभ

दिनांक: 30 अक्टूबर 2025

इस सूत्र में कथा निर्माण, पात्र विकास, संवाद लेखन तथा कथानक संरचना जैसे विषयों पर विस्तारपूर्वक चर्चा की गई। उन्होंने विभिन्न उदाहरणों के माध्यम से यह समझाया कि प्रभावशाली कहानी लेखन में संवेदनाओं, अनुभवों एवं विचारों की अभिव्यक्ति किस प्रकार महत्वपूर्ण भूमिका निभाती है। यह सूत्र प्रतिभागियों की कल्पनाशीलता एवं लेखन क्षमता को विकसित करने में अत्यंत सहायक सिद्ध हुआ।

Students gained valuable insights regarding financial planning, business sustainability, investment-oriented thinking, and growth strategies within startup ecosystems. The speaker also shared real-world entrepreneurial experiences that helped participants understand the practical realities of building and scaling ventures. The session effectively strengthened students’ understanding of startup finance and encouraged them to approach entrepreneurial opportunities with strategic and informed perspectives.

ABHIVYANJANA

ENGLISH DEBATE & LITERARY SOCIETY

Introduction:

“To know is to listen, and to grow is to challenge what you hear.”

What should one expect when joining Abhivyanjana? An intimidating setting where only one school of thought is echoed, or a sole style of writing which is etched as superior, perhaps a highly competitive space which feels unwelcoming? The complete opposite.

When you form a community filled with individuals who have an endearing sense of respect, passion for creating meaningful art, and the zeal for provocative deliberation that may challenge your innate beliefs, then you shall know it is Abhivyanjana. We stand for expression and inclusivity.

This society offers an open and non-judgmental platform for students to learn outside of classrooms and cultivate the talent of literary art and public speaking while maintaining a friendly yet safe space for free-thinkers. Here, you truly acquire the skill of effective communication, respect for diverse ideologies, and gain the sheer power of words.

7th Motilal Nehru Memorial Parliamentary Debate

Dates: **28th - 30th March, 2026**

Asian Parliamentary Debates are rudimentary in the Debate Circuit, for which many participants practice for days and weeks on end to contest at a platform where their intellect is sharpened, and even friendships form in the process. Teams of three individuals who fiercely compete in preliminary and out-rounds to deliberate on topics ranging from culture to economics to ecology and so forth. Meanwhile, the adjudicators provide a thorough analysis and their verdict on the heated arguments, counted in panels and rising to the top.

The three-day event, the 7th Edition of Motilal Nehru Memorial Parliamentary Debate (MNMPD'26), was successful in the task of collaborating with arguably the best Core Adjudicator Panel the local Delhi University circuit has seen for this debating season, tasked with great responsibilities, with famous names such as Vansh Chadha, Suryansh Dimri, and even having Jordyn Gibson flown out from Australia to join the Panel. Deputy Core Adjudicators included Lakshya Talreja and Shivangi, the perfect addition to ensure

fairness and spirited debates. The Equity team, made up of Tarushi, Tanshi, Payal, Vaishnavi, Sahasra, and Pranjal, also played an essential role in accounting for a comfortable experience for all. These three days on campus were relished by participants and the organising committee. The campus rooms echoed with voices of passionate argumentation, teams were relaxed and jocund after rounds, while spotted in the canteen, even whispering in the corners of lobbies while preparing their points for the debate. The participants were drenched with anxiety waiting for results, as the process was so riveting and the reward was exceptionally tempting, a hefty amount as a cash prize for the top debate teams and adjudicators. Be it laughter and fun or be it restless, eloquent spirits, MNMPD'26 met its goals through its flawless execution and positive attendee experience.

11th Abhivyakti

Dates: 5th - 6th April, 2026

Let us bring you to the literary universe of Abhivyanjana, The English Literary and Debating Society of Motilal Nehru College, by welcoming you to Abhivyakti '26- our annual flagship event.

Abhivyakti hosted two mesmerising competitions- 'We hear you' (11th edition), which is a slam poetry competition ruled by an open theme and "Page the rage"-which is a creative writing competition that forces the mind to create beyond what you perceived as your limitations.

“We Hear You” was more than just a slam poetry competition — it became a space where voices turned into stories, emotions found expression, and words carried weight beyond the stage. The mechanism of slam poetry is comp, is basically that the poet is provided with 3-5 minutes of time on stage, where they try their

best with modulation and expression, to bring their poetry to life. With passionate featured performances and thoughtful judging, the event celebrated creativity, individuality, and the courage to be heard. Every performance brought its own rhythm, making the evening a beautiful blend of art, emotion, and connection. Meanwhile, “Page the Rage” was a celebration of imagination, expression, and the power of words. We provided the participants with various prompts, such as visual, lyrical, and idiomatic, through their personal interpretation of which they are supposed to weave together a piece of their own, within the given time. Through stories, poems, and creative pieces filled with emotion and originality, participants transformed thoughts into art on paper. The competition created a space where creativity met courage, allowing every writer to leave behind a piece of their voice between the pages.

Abhivyakti pillarized years of memories, spoke in volumes and let the crescendos of spoken words and emotions dive into the sea of the tranquillity of art.

We hope to host even more exciting events and bring together the hearts of artists and build a stage for every voice that chooses to speak and every pen that ought to write.

Project Tissera

Launch Date: October 2025

Project Tissera was launched with the vision of transforming textile waste into sustainable, value-added products while creating meaningful social impact. The initiative focuses on recycling discarded cotton and other fabrics into eco-friendly alternatives such as recycled cotton bags, promoting sustainability and supporting a circular economy.

Beyond environmental conservation, Project Tissera empowers women from underprivileged communities by providing skill development, livelihood opportunities, and financial independence. A portion of the products is also donated to vulnerable groups, further extending its social contribution. By addressing India's textile waste challenge, Project Tissera aligns with multiple Sustainable Development Goals, including SDG 1, 5, 8, 10, 12, and 13, while envisioning a future where waste is transformed into opportunity and communities thrive through sustainable development.

International Sales Collaboration with Canadian Universities

Enactus Motilal Nehru College initiated an international collaboration with leading Canadian universities to expand the global reach of its social entrepreneurship initiatives. The collaboration aimed at building long-term institutional partnerships through Memorandums of Understanding (MoUs) while introducing Enactus MNC projects to international markets. To explore opportunities for global scalability and market outreach in Canada.

Major Outcomes:

Established successful international collaborations with Enactus University of Prince Edward Island and Enactus University of Calgary, strengthening global engagement and cross-cultural entrepreneurial exchange.

Facilitated the sale of more than 50 Project SNEH tote bags in Canada, marking a milestone achievement for Enactus MNC in international market outreach.

Demonstrated the global adaptability and sustainability of Project SNEH by expanding its operations beyond the domestic market.

Enhanced the international recognition and credibility of Enactus Motilal Nehru College within the global Enactus ecosystem.

Built a strong foundation for future international collaborations, exports, and joint initiatives with global Enactus chapters.

Supported the economic empowerment of women artisans associated with Project SNEH through increased international exposure and revenue generation.

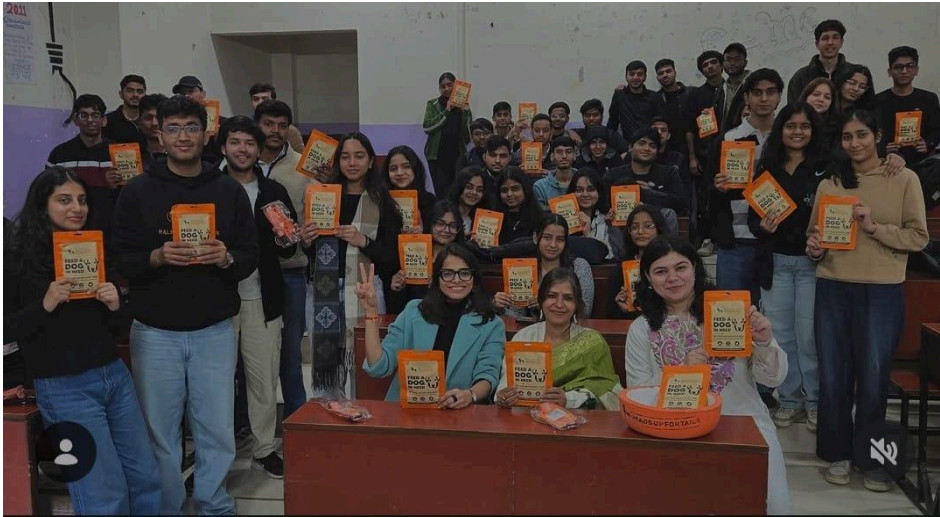

Project Desi - Collaboration with Heads Up For Tails Foundation (HUFT)

Date: 5th February 2026

As part of Project Desi, Enactus Motilal Nehru College partnered with the Heads Up For Tails Foundation (HUFT) to host an educational workshop on the college campus, Motilal Nehru College, Delhi University South Campus.

The workshop focused on promoting compassion and kindness towards community dogs living around the campus. Through this initiative, students were actively encouraged to feed, protect, and look out for the stray dogs in their surroundings. As part of the event, dog collars were distributed to help identify and protect community dogs, and dog food was distributed among participants to encourage regular feeding of campus strays. The session was supported by faculty member Prof. Anu Pandey, whose presence reinforced the values of empathy and responsible community action among students.

Project Desi continues to foster a culture of care and compassion, making campus spaces safer and more humane for both humans and animals alike.

1. **Mental Health Seminar by Dr. BK Sanjeev Bhai**

Dated: 26th September 2026

Mansa: The mental health committee has organized a session on "How to overcome Toxic Relationships and breakups" with renowned BK Sanjeev Bhai.

Executive Summary

It was a transformative seminar which was focused on the critical themes of navigating toxic relationships and recovering from breakups. The session was conducted by BK Sanjeev Bhai, whose unique background as a high-ranking police officer and a spiritual educator provided a rare and powerful perspective on emotional discipline and mental fortitude.

Session Highlights:

A Unique Perspective: BK Sanjeev Bhai combined the pragmatic, disciplined approach of a law enforcement professional with the compassionate, mindful teachings of the Brahma Kumaris. This duality resonated deeply with the students, bridging the gap between real-world challenges and spiritual solutions.

Core Teachings: The seminar focused on the "Power of Let Go." Sanjeev Bhai emphasized that self-worth should never be tied to another person's validation. He provided actionable insights into identifying toxic patterns and the importance of establishing healthy emotional boundaries.

Interactive Engagement: The speaker's ability to connect with the youth was exceptional. Using relatable anecdotes and calm wisdom, he transformed a sensitive topic into a source of strength, encouraging students to view personal setbacks as opportunities for soul-growth.

Impact and Influence

The seminar proved to be one of the most influential events of the academic year. The feedback from the student body was overwhelmingly positive, with many citing the following impacts:

- A. Students felt better equipped to identify unhealthy dynamics in their personal lives.
- B. BK Sanjeev Bhai served as a profound role model, demonstrating how professional success and spiritual peace can coexist.

- C. The session created a safe, non-judgmental space for students to acknowledge their struggles and begin the journey toward recovery.

Conclusion

The presence of BK Sanjeev Bhai was a privilege for the college. His powerful delivery and inspirational presence left an indelible mark on the participants. This seminar was not merely an educational talk but a vital step in fostering a resilient and mentally healthy campus community.

2. Mental Health Camp in Collaboration with Mending Minds:

Dated: 18th November 2025

In a proactive effort to address the psychological well-being of the student body, Mansa: the Mental Health Committee has organized a comprehensive on-campus mental health camp in collaboration with Mending Minds. The event was designed to provide students with direct access to mental health professionals and personalized guidance in a familiar, supportive environment.

Key Objectives:

- To offer professional mental health screenings and one-on-one consultations.
- To reduce the stigma surrounding seeking help for emotional and psychological challenges.
- To provide students with practical tools for stress management and emotional regulation.

Event Execution & Participation:

A. The camp saw an exceptional response, recording over 100 student registrations. B. The structured approach allowed for high-volume engagement while maintaining the quality of interaction.

Expert-Led Sessions:

The professional team from Mending Minds conducted focused sessions that addressed the specific academic and personal pressures faced by college students.

Personalized Interaction:

Beyond general discussions, the team engaged with students individually, ensuring that the 100+ participants received attention tailored to their concerns.

Resource Distribution: Students were provided with takeaways and mental health DASS 21 checkup app to help them maintain their well-being throughout the academic semester.

Impact and Outcomes:

The high registration numbers reflect a growing awareness and trust in the committee's initiatives.

Key outcomes included:

Increased Accessibility: By bringing Mending Minds to the campus, the committee successfully bridged the gap between students and professional mental health support.

Data-Driven Support: The camp helped identify common stress points within the student community, which will inform the committee's future workshops and seminars.

Conclusion

The collaboration with Mending Minds was a resounding success. The scale of participation surpassing 100 students underscores the necessity of such camps. The Mental Health Committee remains committed to hosting similar high-impact events that prioritize the holistic development of every student in the college.

3. Felicitation Day

Dated: 28th April 2026

To celebrate a year of impactful mental health advocacy and successful campus initiatives, Mansa: The Mental Health Committee organized a grand Felicitation Ceremony on April 28th 2026.

This event served as the formal closing of the **2025-26** session, dedicated to honoring the dedication, passion, and tireless efforts of the team members who made this year a resounding success.

Ceremony Highlights

The ceremony was a "blessful" and emotional conclusion to the year, attended by the full committee and esteemed faculty members.

Honoring the Core Team:

The 5 core executive members were recognized for their strategic leadership and management. Each core member was presented with a formal certificate and a commemorative memento as a token of appreciation for their specialized roles.

Recognizing the Coordinators:

The 35+ coordinators, who served as the backbone of every event from the mental health camps to the guest seminars, were awarded *Certificates of Merit*.

In a special gesture, all team members were presented with personalized name badges, symbolizing their permanent identity as part of the committee's legacy.

President's Reflection

- A. The felicitation served as a powerful morale booster, validating the hard work put in by the volunteers throughout the academic year.
- B. Legacy Building: By formalizing the contributions of the team, the committee has set a high standard for the incoming batch of 2026-27.
- C. Strengthened Bonds: The "blessful" celebration allowed for a moment of reflection on the successful collaborations with organizations like Mending Minds and speakers like BK Sanjeev Bhai.

National Service Scheme

Introduction

National Service Scheme (NSS), launched in 1969 on the birth centenary of Mahatma Gandhi under the Ministry of Youth Affairs and Sports, aims to develop students' personalities through community service. Guided by the motto "Not Me, But You," it promotes responsibility, discipline, empathy, and social welfare. The NSS unit in the college actively engages students in service-oriented activities, helping them build leadership skills, teamwork and a sense of social responsibility.

Important Events

• Special Camp NIRMAAN26

The Special Camp began a visit to the War Memorial and an old age home, where volunteers interacted with the elderly, understanding their life experiences, emotions, and challenges. The camp included physical training exercises and sports activities such as football, volleyball, and tug of war to promote fitness and teamwork. Workshops like Worli painting, along with sessions on self-defence and disaster management, enhanced practical skills among volunteers. Cultural activities such as singing, dancing, and open mic sessions were also organized to boost confidence and encourage expression. Overall, the camp helped students develop leadership qualities, coordination and stronger bonds within the group.

• Project Udaan

Project Udaan is an educational initiative aimed at empowering children in the adopted village by providing them with basic education and guidance. VSS volunteers regularly visit the area from Monday to Saturday to teach and mentor the children ensuring consistent learning support. The project not only focuses on academic development but also on overall growth, including awareness, hygiene, and personality development. Additionally, the NSS unit actively monitors and contributes to the development of the village, making Project Udaan a step towards long-term community upliftment.

• Research and Development department Initiative

The Research and Development Department actively conducted field visits to nearby slum areas to analyze the needs and challenges of the community. Based on this assessment, the area was adopted in collaboration with MIMA (Mera India Mera Adhikar), an initiative focused on social justice, awareness, and community upliftment. Through this collaboration, the NSS unit is continuously working towards the development of the adopted area by providing educational support, spreading awareness, and assisting the community in every possible way.

• Plastic-Free and Drug-Free Awareness

Awareness campaigns were conducted to educate people about the harmful effects of plastic usage and substance abuse. Volunteers encouraged sustainable practices and promoted the importance of a healthy, drug-free lifestyle.

• Old age home visit

The visit to the old age home was a meaningful and emotional experience for the volunteers. Students interacted with the elderly residents, listened to their life stories, and understood the challenges they face in their daily lives. The visit helped in developing empathy, compassion and a sense of social responsibility among the volunteers while also bringing moments of joy and companionship to the residents.

SKILL DEVELOPMENT CELL

About the Skill Development Cell

The Skill Development Cell (SDC) at Motilal Nehru College, University of Delhi, is a student-led initiative dedicated to bridging the gap between academic learning and real-world professional exposure. SDC is committed to fostering analytical thinking, strategic problem-solving, teamwork, and career readiness among students through a diverse portfolio of events, workshops, and outreach programs.

Throughout the academic year 2025–2026, SDC successfully organized a series of impactful initiatives ranging from high-stakes inter-college competitions to career-focused platforms engaging hundreds of students across Delhi University and beyond.

Orientation – Welcome to SDC

Date: 22nd August 2025

The Skill Development Cell formally welcomed the incoming batch of students through a Fresher Orientation on 22nd August 2025. The session was designed to acquaint new students with the working, vision, and activities of the Cell, offering them a comprehensive overview of what SDC represents and the opportunities available to them as members and participants.

The orientation was attended by 100+ students and covered the structure, initiatives, and past achievements of SDC, giving freshers a clear picture of the Cell's impact and direction. Members of the core team walked attendees through the various verticals of SDC's work — from competitive events and industry collaborations to career development initiatives.

Following the orientation session, a Mini Pitching Competition was organized exclusively for freshers, offering them their first taste of SDC's competitive culture. Participants were invited to pitch ideas before an audience, with a cash prize awarded to the winners. The activity served as both an icebreaker and an early opportunity for freshers to demonstrate creativity, confidence, and communication skills.

Key Highlights

- 100+ students attended the orientation session
- Comprehensive walkthrough of SDC's activities, structure, and vision
- Mini Pitching Competition organized for freshers with a cash prize
- Strong enthusiasm and participation from the incoming batch

Industry Collaboration – DOT

Collaboration Date: 20th August 2025 | Project Duration: 1 Month

On 20th August 2025, the Skill Development Cell officially entered into a collaboration with DOT, marking a significant step in SDC's engagement with the professional and industry ecosystem. This partnership

reflected SDC's ongoing commitment to providing members with real-world exposure and hands-on experience beyond the classroom.

Following the collaboration, SDC was entrusted with a live consulting project, comprising a clearly defined problem statement and a set of deliverables. The SDC team worked on the project over the course of one month, applying strategic thinking, research, and collaborative effort to develop meaningful solutions and outputs.

This live project experience offered SDC members a valuable opportunity to work in a structured, professional environment — developing skills in consulting, problem-solving, and project management that are directly aligned with the Cell's mission.

Key Highlights

- Official collaboration established with DOT on 20th August 2025
- Awarded a live consulting project with defined problem statement and deliverables
- SDC team worked on the project for one month, delivering structured outputs
- Provided members with practical, industry-level consulting experience

Internal Skill-Building Workshops Month: September 2025

Recognising that the effectiveness of any student organisation depends on the capabilities of its members, the Skill Development Cell dedicated September 2025 to a series of internal skill-building workshops for newly recruited members. These sessions aimed to strengthen members' professional and practical competencies relevant to their responsibilities within the Cell.

The workshops covered four key domains:

Finance Workshop

Members were introduced to the essential skills required for sponsorship onboarding, including cold calling, professional emailing, communication, negotiation, and client interaction. The session also covered budgeting, expenditure tracking, financial documentation, and cost-benefit analysis, enabling members to confidently manage sponsorship conversations, maintain professional relations with brands, and handle the financial responsibilities associated with Cell activities and events.

Canva Workshop

This workshop trained members in graphic design using Canva, covering layout design, typography, colour theory, and branding consistency. Members learned to create social media posts, event posters, presentations, and sponsor decks, significantly enhancing the Cell's in-house design capabilities.

Unstop Workshop

The Unstop Workshop familiarised members with the platform's features for event promotion, competition listings, and participant management. Members also learned event registration management, communication practices, and the use of analytics tools, which later supported the outreach efforts for events such as Celestia and Synapse 2026.

LinkedIn Optimisation Workshop

This session focused on building strong professional digital profiles. Members were guided on profile optimisation, professional communication, outreach messaging, and networking etiquette. The workshop also addressed personal branding and content strategy, helping members strengthen their professional presence and outreach skills.

Collectively, these workshops built a strong internal foundation for the Skill Development Cell, equipping members with improved communication skills, financial awareness, design expertise, and professional confidence that contributed significantly to the Cell's initiatives throughout the year.

Celestia – Semi-Annual Flagship Event

Date: 17th November 2025

Celestia, SDC's semi-annual flagship event, was successfully organized on 17th November 2025, bringing together some of the brightest minds from across Delhi University for a day of strategy, collaboration, and high-energy competition. The event was conceptualized as an inter-college engagement platform designed to foster analytical thinking, teamwork, and real-world problem-solving — core values that define SDC's mission.

Event Highlights

1. The Verdict – Case Competition

"The Verdict" served as the intellectual centerpiece of Celestia. Designed to test participants' analytical rigor and strategic acumen, the competition challenged teams to decode complex business scenarios and present data-backed, innovative solutions before a competitive jury panel. Participants demonstrated structured thinking, financial reasoning, and market analysis skills — reflecting the consulting-oriented approach SDC consistently promotes. The competition witnessed intense deliberation rounds, insightful presentations, and highly competitive performances, making it one of the most engaging segments of the event.

2. Hidden Trails – Strategy-Based Treasure Hunt

Complementing the analytical intensity of "The Verdict," Hidden Trails introduced an interactive and dynamic treasure hunt format. This segment emphasized team coordination, logical deduction, time management, and on-ground problem solving. Participants navigated multiple clue-based stages across campus, solving puzzles and decoding strategic hints under time pressure. The energy and enthusiasm throughout the hunt created an atmosphere of collaboration and spirited competition.

Participation & Impact

- 100+ participants
- Representation from multiple Delhi University colleges
- Prize pool exceeding ₹11,000
- High engagement across academic years and disciplines

Celestia successfully positioned itself as a high-impact inter-college engagement platform, strengthening SDC's growing reputation for delivering professionally structured, experience-driven events.

Project Avsar – Career Initiative

Launch Date: 1st January 2026 | Orientation Workshop: 22nd January 2026

Project Avsar was formally launched on 1st January 2026 as a dedicated career-focused initiative under the Skill Development Cell. The initiative was conceptualized to provide students and freshers with curated internship opportunities, career insights, and industry readiness support — directly aligned with SDC's mission of bridging academic learning with professional exposure.

Following the launch, a structured Team Formation and Orientation Workshop was conducted on 22nd January 2026 for Skill Development Cell members. The workshop facilitated alignment on project vision, role clarity, content strategy, and operational workflow, ensuring smooth execution of the initiative.

Key Highlights & Outcomes

- Project Avsar successfully launched on 1st January 2026, establishing a dedicated career-focused initiative under SDC.
- The initiative connected with 1,500+ students through its communication channels.
- 100+ internship opportunities across multiple domains were curated and shared for students and freshers.
- A team orientation and formation workshop was conducted on 22nd January 2026 for SDC members.
- The workshop facilitated alignment on project vision, roles, content strategy, and operational workflow, strengthening internal coordination.

Project Avsar has emerged as a key platform contributing to the Cell's mission of bridging the gap between academic learning and career opportunities.

Beyond Canva & AI Session in Collaboration with GStudios India

Date: 15th March 2026 | Speaker: Gourav Singla

On 15th March 2026, the Skill Development Cell organised an expert session in collaboration with GStudios India, conducted by Gourav Singla. The session focused on advanced design practices, AI-powered creative workflows, and modern digital tools, aiming to expand members' understanding beyond the foundational skills developed during earlier workshops.

Mr. Singla introduced participants to professional design principles including visual hierarchy, motion graphics, brand identity, and AI-assisted design tools, helping members understand industry-level creative processes beyond template-based platforms like Canva.

A major segment of the session explored the role of Artificial Intelligence in content creation and design workflows. Members were introduced to practical AI applications such as image generation, automated content creation, prompt engineering, and AI-assisted visual design, encouraging a more technology-driven approach to creative work.

The session also featured an introduction to “vibe coding” — a prompt-based approach to building digital interfaces and interactive experiences using AI-powered coding tools. Through live demonstrations, members learned how non-programmers can create functional and visually engaging digital outputs using natural language instructions.

The session was highly engaging and provided members with valuable exposure to emerging trends in creative technology, reinforcing the Skill Development Cell’s commitment to innovation, adaptability, and industry-relevant learning.

Synapse – Annual Flagship Event

Date: 21st–22nd April 2026

Synapse, the annual flagship event of the Skill Development Cell, was successfully organized over two days on 21st and 22nd April 2026. The event was a grand culmination of SDC's year-long efforts, bringing together participants from premier institutions across the country and creating an atmosphere of intellectual rigor, inspiration, and celebration.

Day 1 – 21st April 2026

Citadel – National Level Case Competition

The first day was anchored by "Citadel," a national-level case competition with a prize pool of ₹30,000. The competition attracted teams from Delhi University colleges, IITs, and IIMs, who came to campus for their final presentations. Citadel stood as a testament to SDC's ambition to create platforms that compete at a national standard, offering participants an opportunity to showcase their strategic thinking and business acumen before an experienced panel.

Secret Influencer – Intra-College Competition

Alongside Citadel, an engaging intra-college competition titled "Secret Influencer" was organized at the quadrangle. The event fostered internal participation and added vibrancy to the campus environment, drawing in students from across the college.

Mini Games & Campus Atmosphere

Several mini games were organized throughout the day, creating a lively and festive atmosphere on campus. These activities encouraged informal interaction, team bonding, and widespread student engagement beyond the formal competition circuits.

Day 2 – 22nd April 2026

FounderSight '26 – Speaker Session

The second day of Synapse featured "FounderSight '26," an inspiring speaker session that brought together distinguished entrepreneurs and industry leaders. The session featured Gursaurabh Singh, a prominent figure featured on Shark Tank India, and Noor Sehgal, the Founder of Gussied Up. Their insights into entrepreneurship, brand building, and navigating the startup ecosystem provided attendees with invaluable real-world perspectives and motivated students to think beyond conventional career paths.

Closing – Jamming Session

Synapse concluded on a celebratory note with a jamming session for SDC members, bringing the two-day event to a warm and spirited close. The session served as a moment of collective celebration, recognizing the hard work and dedication of every member who contributed to making Synapse a success.

Event Highlights at a Glance

- National-level case competition with ₹30,000 prize pool
- Participation from Delhi University colleges, IITs, and IIMs
- Intra-college competition and mini games at the quadrangle
- Speaker session featuring Shark Tank India personality Gursaurabh Singh and entrepreneur Noor Sehgal
- Closing jamming session for SDC members

The event witnessed enthusiastic participation from students and faculty members, reaffirming its significance as one of the Cell's most important annual initiatives.

Day 1 featured a speaker session titled "Narratives and Authority: Gender, Gaze and Power in Contemporary Media," with four invited speakers who shared insightful perspectives on media, power structures, and representation. Interactive stalls, activity-based games, and student engagement activities added to the vibrant atmosphere of the fest. Three competitions were also conducted across both days, encouraging participation, creativity, and collaboration among students.

Day 2 included a panel discussion titled "Rewriting Power: Voices Beyond Boundaries," featuring two panellists who engaged the audience in meaningful conversations on equality, identity, and challenging social boundaries. The day also included a flash mob performance and a short film screening showcasing two films created by members of the Women's Development Cell team. The fest concluded with an Open Mic session, where students expressed themselves through poetry, music, storytelling, and personal reflections, creating a space for dialogue and fearless expression. BEBAKH 2026 successfully upheld the spirit of empowerment, participation, and inclusivity, further strengthening the Women's Development Cell's commitment to fostering awareness and meaningful engagement within the college community.

6. Key Achievements

- Successful execution of multiple academic and outreach initiatives
- Active student participation across all events
- Strengthened collaborations with organisations and experts
- Increased awareness on gender, health, and social issues

7. Conclusion

The academic year 2025–2026 has been productive and impactful for the Women’s Development Cell. Through its diverse initiatives, the Cell has successfully promoted awareness, inclusivity, and empowerment within the college community.

With continued dedication and participation, WDC aims to further expand its efforts and strengthen its role in building a more equitable and conscious society.

17 February 2026

A seminar on 17th February by Prof. Anil Kumar Upadhyay, former President of Mahatma Kashi Vidyapith, discussed the journey of journalism from the Gandhian era to the digital age. He highlighted the shift from value-based journalism to technology-driven practices while stressing the importance of ethics and truth. The session emphasized maintaining credibility in today’s fast-paced media landscape.

- Gandhian journalism focused on truth, simplicity, and public service. It aimed at social reform and nation-building.
- Digital journalism has increased speed and reach of information globally. It has also reduced depth and careful verification.

- Modern journalism faces challenges like fake news and sensationalism. Ethical standards are often compromised for visibility.
- Journalists today must balance technology with responsibility. Integrity and accountability remain essential.
- The future lies in combining Gandhian values with digital tools. Responsible media can strengthen democracy.

FRESHERS '25 - 14 NOVEMBER, 2025

On 14th November, 2025, Wirtschaft organised a freshers party named Freshers'25 which marked the first official interaction between the seniors, juniors and the teachers.

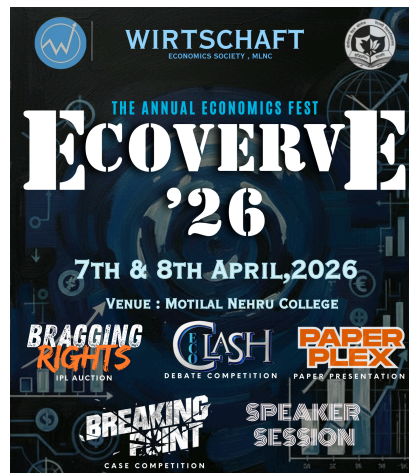

THE SQUID ECONOMY STALL - 1st & 2nd April, 2026

Wirtschaft organised a stall at Phoenix '26 on 1st and 2nd April, 2026 which saw high-energy engagement. This departmental stall became an instant campus favorite, featuring games such as guess the sentence, arrange the cups, uphill slope ball, balloon cup placer, and a lively face-paint station.

ECOVERVE '26 - 7th & 8th April, 2026

Ecoverve is the annual flagship festival organized by Wirtschaft. It serves as a premier platform in the Delhi University circuit for students to test their analytical skills against real-world scenarios. The fest is characterized by its blend of academic rigor and strategic gameplay, featuring competitions and interactive sessions. Beyond formal competitions, Ecoverve is known for its interactive atmosphere, often incorporating thematic stalls and simulations that bridge the gap between global market dynamics and contemporary social trends, making it a key event for those looking to explore the practical side of economics.

This year, Wirschaft organised its annual flagship event, Ecoverve '26 on 7th and 8th April, 2026. This event included a speaker session and many competitions. Competitions such as:

- **ECOCLASH: THE DEBATE COMPETITION - 7TH APRIL**

A high-stakes debating arena that moves beyond traditional formats. It typically begins with a preliminary screening (like a critical thinking quiz) and culminates in an on-campus face-off. Teams debate complex geopolitical and economic paradigms, emphasizing both logical rebuttals and clarity of delivery.

- **BREAKING POINT: THE CASE COMPETITION - 7TH APRIL**

Breaking Point is a high-pressure case study competition where participants tackle complex, real-world business and economic crises. It challenges teams to stay sharp under intensity, requiring them to diagnose systemic issues and present viable strategic solutions on the fly to prove their analytical resilience.

- **BRAGGING RIGHTS: THE IPL AUCTION - 8TH APRIL**

Bragging Rights is a fast-paced IPL-style auction that tests strategic bidding and resource management. Participants must use market valuation and game theory to outmaneuver rivals with a limited budget, aiming to build the most balanced squad and earn the ultimate competitive prestige.

- **PAPERPLEX: THE RESEARCH PAPER PRESENTATION - 8TH APRIL**

This is the intellectual cornerstone of the fest. It is a multi-round competition where participants submit research abstracts and full papers on contemporary economic issues. Shortlisted teams present their findings to a panel of experts, defending their methodology and insights in a rigorous Q&A session.

- **SPEAKER SESSION: “IS MULTILATERALISM ON DECLINE?” BY DR. ASHWANI MAHAJAN - 7TH APRIL**

As the National Co-Convener of the Swadeshi Jagran Manch, Dr. Ashwani Mahajan delivered the keynote address titled "Is Multilateralism on the Decline?" during the 2026 fest. His session provided a deep dive into the shifting dynamics of global trade, the relevance of international organizations like the WTO in a post-globalization era, and the rising trend of economic nationalism.

FAREWELL ‘26 - 25 April, 2026

Wirtschaft celebrated Farewell’26 with nostalgia, saying goodbye to the batch of 2023-26. The event was a vibrant blend of heartfelt tributes and cultural performances, showing gratitude to seniors for their leadership and academic dedication. As the outgoing batch transitions from the college hallways to their next professional chapters, they leave behind a legacy of resilience and camaraderie that defines the spirit of the department.

The Farewell'26 marked the end of the academic session of 2025-26.

ENGLISH ASSOCIATION

English Department

Convenor – Ms. Shilpi Malhotra

English Association: The English Society of Motilal Nehru College is a vibrant community of literature enthusiasts, creative thinkers, and passionate communicators. But more than just an academic group, it's a community that encourages self-expression, confidence, and new ideas. Through activities like seminars, slam poetry, debate, etc. the society gives students a chance to explore their talent beyond the classroom. It creates an environment where everyone is heard, inspired and connected.

Events

1. FRESHERS

The Freshers' event organized by the English Department Society was full of fun, excitement, and happy memories. It was a wonderful way to welcome the new students and help everyone feel comfortable and connected from the very beginning. The event had entertaining games, fun activities, music, dance, and performances that kept the energy alive throughout. There was a lot of laughter, cheering, and interaction, which made it easy for freshers to bond with each other and seniors. More than just an event, it felt like a warm and joyful beginning to a new journey in the department.

2. ETHNIC DAY

The Ethnic Day celebration by the English Department Society was one of the most fun and lively events, filled with colors, smiles, and amazing energy. Everyone came dressed in beautiful traditional outfits, making the whole atmosphere feel vibrant and festive. From dancing and music to fun

activities and endless photo sessions, the day was full of laughter and happy moments. It was not just about dressing up, but also about celebrating different cultures, bonding with friends, and enjoying a break from regular college life. The event brought everyone together and created memories that made the day truly special.

3. SEMINAR: Pro. B Mangalam

Topic: The book of Vanci: Poetics and Politics of War

The seminar by Prof. B. Mangalam on The Book of Vanci: Poetics and Politics of War was a really interesting and thought-provoking session for everyone present. The discussion beautifully connected literature with themes of war, politics, and society, making the topic feel much more relatable and engaging. Prof. Mangalam explained the concepts in a simple and interactive manner, which made it easy for students to stay connected and involved throughout the seminar. The session encouraged everyone to look at literature from a deeper perspective and understand how texts can reflect history, emotions, and political realities. It was an enriching experience that left students with new ideas, meaningful discussions, and a greater appreciation for literature.

4. SEMINAR: Dr. Vinita Chandra

Topic: Gender Sensitisation

The seminar by Dr. Vinita Chandra on Gender Sensitisation was a very engaging and eye-opening session for the students. The discussion was not only informative but also very relatable, as it focused on the importance of understanding, respect, and equality in everyday life. Dr. Chandra interacted with the audience in a warm and friendly manner, which made everyone feel comfortable sharing their thoughts and opinions. The seminar encouraged students to think more deeply about social attitudes, stereotypes, and the need for a more inclusive environment. It was a meaningful experience that created awareness, sparked important conversations, and left everyone with valuable lessons to reflect on.

5. LitCelebrate'26

Lit Fest 2026 organized by the English Department Society was an exciting two-day event filled with creativity, learning, and unforgettable memories. The fest began with a wonderful inaugural ceremony and the reveal of the English Society's logo and magazine, which added to the excitement of the event. A major highlight was the insightful talk by the Hon'ble Chief Guest, Prof. Christel Devadawson, on "Procrustes, Ockham, and a Troubling Question: Does Genre Help?", which encouraged students to think about literature from a fresh perspective.

The fest also included many fun and engaging events like debate, paper presentation, slam poetry, quiz, Spin a Yarn, and Paint a Poem, where students from different college and institute enthusiastically showcased their creativity and talents. With so much energy, interaction, and enthusiasm throughout, Lit Fest 2026 turned out to be a truly memorable celebration for everyone involved.

6. FAREWELL

The farewell organized by the English Department Society was a beautiful and emotional event filled with happiness, laughter, and countless memories. It was a special day dedicated to celebrating the seniors and the wonderful journey they shared with the department. The event had fun games, music, dance performances, heartfelt speeches, and lots of emotional moments that made everyone smile and nostalgic at the same time. Friends clicked endless pictures, shared memories, and enjoyed every moment together. More than just saying goodbye, the farewell felt like a celebration of friendships, bonds, and all the unforgettable experiences created over the years.

ॐteet

The History Subject Society

Convenor- Mr. Atul Priyadarshi

Office Bearers

President- Ritesh Kumar (HSH23027)

Secretary- Aakanksha Jha(HSH24066)

Joint Secretary- Angel Rajput (HSH25067)

ॐteet was founded in 2015 as a collaborative teacher–student initiative, conceived to plan and oversee the full spectrum of academic, co-curricular and extra-curricular activities of the Department of History. In the decade since its establishment, ॐteet has built a distinguished record of organising national and international seminars, as well as lectures by eminent scholars from India and across the world. Through sustained intellectual dialogue on a diverse range of themes—spanning art, religion, language, social identities, ecology, political formations, ideological discourses and theoretical frameworks—ॐteet has kept both students and faculty connected to the evolving frontiers of historical inquiry.

1.Sair-e-Dilli Exhibition Visit

Date: 12th September 2025

Students of the History Department visited the exhibition “Sair-e-Dilli: Chronicles of Change” at Bikaner House, gaining valuable insights into the evolving history of Delhi. Curated by noted historian Swapna Liddle, the exhibition presented a rich narrative of the city’s transformation across different historical periods.

The exhibition showcased a diverse range of materials, including photographs, maps, and archival records, highlighting the social, cultural, and political changes that have shaped Delhi over time. Students observed how the city adapted to shifting regimes, urban developments, and changing lifestyles, making the experience both informative and engaging.

The visit encouraged students to connect theoretical knowledge with visual and material history, deepening their understanding of urban historiography. It also emphasized the importance of heritage preservation and the role of public history in making the past accessible to a wider audience

Participants described the visit as an enriching and thought-provoking experience. The initiative reflects the department's commitment to experiential learning, allowing students to engage directly with historical narratives beyond the classroom.

2: Fresher's Welcome

Date: 13th October 2025

On 13 October 2025, the Department organised a spirited Freshers' party and Welcome to officially induct the new batch of students. The event served as a vibrant introduction to the department's culture, academic rigour, and diverse extracurricular opportunities. Senior students welcomed their juniors with an array of cultural performances, including music and dance, followed by interactive ice-breaking sessions. Faculty members addressed the newcomers, encouraging them to embrace the journey of critical thinking and historical inquiry. The highlight of the day was the crowning of the Mr. and Ms. Fresher, based on talent and personality rounds. It was a day of new beginnings, fostering a sense of community and excitement for the years ahead.

3: Heritage walk to Rashtrapati Bhavan & Rashtrapati bhavan Museum

Date: 14th November 2025

The History Society, Department of History, Motilal Nehru College, in collaboration with Anant Heritage Club, successfully conducted a Heritage Walk to Rashtrapati Bhavan.

The visit provided students with a valuable opportunity to explore the architectural grandeur and historical importance of one of India's most prestigious landmarks. Rashtrapati Bhavan, the official residence of the President of India, stands as a symbol of India's rich political heritage and colonial past, designed by British architect Edwin Lutyens.

During the visit, students observed the magnificent structure, including its domes, gardens, and intricate design elements that reflect a blend of Western and Indian architectural styles. The walk also helped participants understand the transformation of the building from the Viceroy's House during British rule to its present role in independent India.

The heritage walk proved to be an enriching academic experience, allowing students to connect theoretical knowledge with real historical spaces. It also encouraged curiosity and a deeper appreciation for India's architectural and cultural legacy.

The initiative by ॐteet and ॐmanat Heritage Club highlights their commitment to experiential learning and active student engagement beyond the classroom. Participants described the visit as both informative and memorable, making it a significant addition to their academic journey.

4: Seminar on India's Historical and Social Fabric

Date : 20th November 2025

On 20 November 2025, The Society hosted a compelling lecture series featuring two eminent scholars who provided profound insights into India's historical and social fabric. Dr. Bhuwan Jha, Associate Professor at the University of Delhi, opened the session with a rigorous re-examination of the 1857 Revolt. Moving beyond the colonial label of a "sepoy mutiny," Dr. Jha highlighted the uprising's character as a popular resistance. He explored the complex alliances between diverse social groups and analyzed how the revolt served as a pivotal moment of anti-colonial consciousness that reshaped the Indian political landscape. Shifting the lens to social history, Prof. Smita Sahgal of Lady Shri Ram College delivered a thought-provoking talk titled "Revisiting Gender Non-Normativity in Early Indian Tradition." Prof. Sahgal challenged rigid modern binaries by delving into ancient texts and traditions to uncover the presence of fluid gender identities. Her analysis showcased how early Indian society recognized and accommodated "non-normative" expressions of gender, offering a nuanced understanding of identity that predates contemporary discourse. The series concluded with a vibrant Q&A session, leaving the audience with a deeper appreciation for the complexities of both political resistance and social identity in Indian history.

5: INTACH Workshop

Date: 20th January 2026

On 20 January 2026, students from Motilal Nehru College, University of Delhi participated in the INTACH Heritage Volunteer Training Workshop under the HECS initiative at INTACH, New Delhi. The workshop offered valuable insights into heritage conservation, documentation, and the need to safeguard natural, cultural, and living heritage. It was a privilege to attend sessions led by Professor Narayani Gupta and Professor A. G. Krishna Menon, whose talks highlighted that heritage goes beyond monuments—it includes people, memories, and everyday spaces. The experience was both enriching and inspiring.

6: New Trends in History Writing

Date : 3rd February 2026

Academic Talk on New Trends in History Writing Organised by 'Ateet' History Society

February 3, 2026 — The History Department society Ateet organised an engaging academic talk on “New Trends in History Writing: An Overview.” The session aimed to introduce students to evolving approaches in historiography and recent developments in the discipline of history.

The talk was delivered by Dr. V.K. Jain, a noted General Studies faculty member at Vajiram & Ravi, known for mentoring aspirants of the UPSC Civil Services Examination. He explained how historical writing has shifted from traditional political narratives to more inclusive perspectives such as subaltern, gender, and cultural history.

Dr. Jain emphasized the importance of critical analysis and encouraged students to question sources and interpretations. The session proved highly beneficial for History Honours students, those interested in historiography, and UPSC aspirants.

An interactive question-and-answer segment allowed students to engage directly with the speaker. The event reflected Ateet's commitment to academic enrichment and provided participants with valuable insights into contemporary trends in history writing.

7: International Seminar

Date : 24th March 2026

Ateet Hosts International Seminar on History Writing

On March 24th, Ateet: The History Society hosted a successful international seminar, "Themes, Paradigms and Approaches in History Writing," at the Seminar Hall. The event featured esteemed global scholars, including Prof. Vijaya Laxmi Singh, Dr. Eugenia Vanina, Prof. Lavanya Vemsani, Prof. Arvind Sinha, Prof. Vipul Singh and Prof. Santosh Kumar Raj. Discussions focused on shifting traditional narratives and embracing interdisciplinary methods. Students and faculty engaged in a spirited dialogue, highlighting the

importance of critical source analysis and diverse perspectives in understanding our global past."

8: KAALDARSH '26

Date : 25th and 27th March 2026

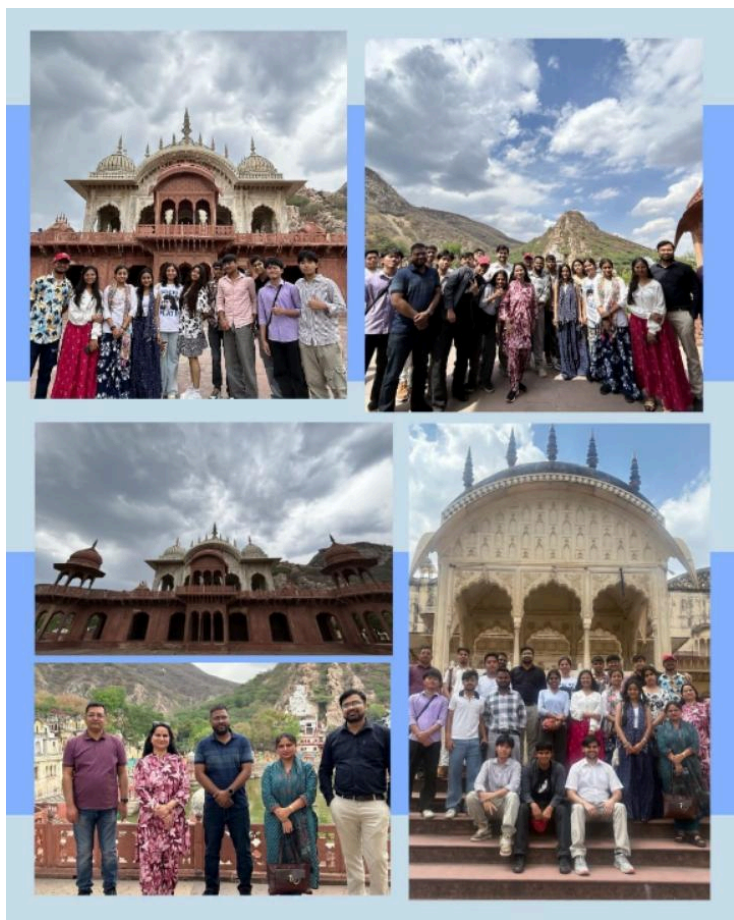

On March 25 & 27, 2026 - Ateet, the History Society, successfully hosted its flagship annual academic and cultural conclave, "Kaaldarsh'26." Designed as a vibrant bridge between rigorous scholarship and creative expression, the two-day event transformed the campus into a hub of interdisciplinary dialogue and heritage

celebration. The conclave kicked off with the Paper Presentation Competition, where undergraduate researchers showcased original work on diverse historical themes. This was followed by the high-octane Jalānidhī Quiz Championship, which tested participants on everything from ancient civilizations to world heritage. The spirit of debate took centre stage at Tarka Yuddham (the debate competition) in collaboration with Abhivyanjana society, while Swara Abhivyakti (the open mic session) and Kalachitram (the poster-making competition) provided a canvas for students to interpret history through poetry, storytelling, and visual art. The event culminated in a grand cultural evening, celebrating the successful fusion of past and present.

9: Departmental trip to 'ALWAR'

Date : 6th April 2026

On 6 April 2026, the Department organized an enriching educational excursion to Alwar, Rajasthan, offering students a vibrant blend of historical exploration and natural beauty. Nestled in the Aravalli hills, the trip provided a deep dive into the region's architectural and cultural heritage, where students explored the sprawling 16th-century ramparts and enjoyed panoramic views of the city. A key highlight was the visit to Moosi Maharani Ki Chhatri, an exquisite double-storied cenotaph known for its intricate Indo-Islamic carvings and frescoes. The journey concluded with a visit to the City Palace Museum, housing rare Rajput weapons and manuscripts. This field trip successfully bridged classroom theories of medieval history with tangible heritage, fostering a greater appreciation for the "Gateway of Rajasthan."

10: Parliament Visit

Date : 10th April 2026

On April 10th, the Amanat Heritage Club of the Ateet Society, Department of History, Motilal Nehru College, organized an enriching academic visit to the Indian Parliament. Led by Head of Department Mr. Atul Priyadarshi and esteemed faculty members, the History Honours students experienced a remarkable blend of India's rich heritage and modern governance.

The visit began at the new Lok Sabha chamber, admired for its vibrant peacock-themed design and enhanced seating capacity. The presence of the historic Sengol added a symbolic touch of justice and tradition. The Rajya Sabha impressed with its lotus-inspired interiors and advanced digital setup, reflecting a shift toward a paperless legislative system.

Students also explored the Constitution Hall, where the Foucault Pendulum and the "Samudra Manthan" mural beautifully symbolized knowledge and democratic collaboration. The journey concluded at the Central Hall of the old Parliament, leaving students inspired by the legacy of India's constitutional history.

11 : Visit to Delhi Art Gallery

Date : 24th April 2026

A Journey Through Time: Our Visit to DAG's 22 Windsor Place

On April 24, 2026, we stepped into the elegant halls of "22 Windsor Place", DAG's flagship gallery in New Delhi. The visit offered a profound immersion into the current exhibition, ***The Indian Picturesque: Landscape Painting 1800–1850 .

Walking through the curated galleries, we explored the fascinating intersection of British and Indian artistic styles. The collection of paintings and prints brilliantly showcased how 19th-century artists captured the subcontinent's rugged terrain and architectural marvels. From the legacy of the Daniells to the intricate work of local masters, the exhibition provided a rare, panoramic view of India's evolving visual identity. It was a morning spent witnessing art not just as a medium, but as history in motion.

12 : RUKHSAT'26 Farewell

Date : 25th April 2026

On 25 April 2026, the Department hosted a vibrant and emotional farewell ceremony to bid adieu to the graduating batch of third-year students. The event, filled with nostalgia, celebrated the three-year journey of the outgoing seniors. The afternoon featured a mix of heartfelt speeches from faculty members and energetic cultural performances by the juniors. A highlight of the day was the distribution of titles and mementos,

followed by a nostalgic video montage capturing the batch's most cherished campus memories. As the students prepare to embark on new professional and academic paths, the department wished them immense success, reminding them that they will always remain a vital part of its legacy.

13: PURAKHYAN (Annual magazin) Launch

Date : 25th April 2026

On 25 April 2026, the Department celebrated a milestone with the official launch of the annual department magazine alongside a formal certificate distribution ceremony. The event highlighted the creative and academic achievements of the students over the past year. The unveiling of the magazine showcased a diverse collection of research articles, poetry, and artwork, reflecting the intellectual vibrancy of the student body. Following the launch, merit certificates were awarded to students for their outstanding contributions to departmental activities, editorial work, and academic excellence. This dual celebration not only honored individual hard work but also documented the collective spirit of the department, leaving a lasting legacy for the year.

EVENTS AND ACTIVITIES

1. Seminar on Actuarial Science Awareness

The Mathematics Society organized a seminar on Actuarial Science Awareness in collaboration with the Institute of Actuaries of India. The session was guided by Ms. Lipika Chopra and aimed to provide students with valuable insights into the field of actuarial science and its career opportunities.

During the seminar, the speaker explained the role of an actuary as a professional who applies advanced mathematical, statistical, and analytical skills to measure and manage risk and uncertainty in various sectors such as insurance, finance, investment, and business analytics.

The seminar highlighted:

- The importance of actuarial science in real-life applications
- Career opportunities in fields such as Data Science, Quantitative Finance, FinTech, Machine Learning, and Business Analytics
- The professional pathway and examinations conducted by the Institute of Actuaries of India (IAI)
- Essential skills required in mathematics, statistics, finance, and data analysis

The session proved to be highly informative and beneficial for students interested in applied mathematics and emerging career opportunities in actuarial science. The society extends its sincere gratitude to Ms. Lipika Chopra for delivering such an insightful and engaging seminar.

2. AAYAM

Date: 15 October 2025

The Mathematics Society organized AAYAM, an interactive event aimed at enhancing students' logical reasoning, teamwork, and problem-solving abilities through engaging mathematical activities and games.

Activities Conducted:

- Pixel Puzzlers**
 A puzzle-solving competition designed to test participants' analytical and visualization skills through mathematical and logical challenges.
- Trust Toss**
 A team-based activity focused on coordination, communication, and strategic thinking among participants.

- **Alumni Talk**

An interactive alumni session was conducted where former students shared their academic experiences, career guidance, and insights regarding opportunities in mathematics-related fields.

- **The Mathletes**

A mathematics game involving fun and challenging problem-solving tasks that encouraged teamwork and quick mathematical reasoning.

- **Seminar on “Mathematical Models in Real Life”**

A seminar was conducted focusing on the practical applications of mathematical models in everyday life and various professional fields. The session highlighted the significance of mathematics in solving real-world problems.

3. FRACTAL

Date: 25 March 2026

The Mathematics Society organized FRACTAL, an annual mathematics event consisting of competitions, games, seminars, and creative activities to promote enthusiasm for mathematics among students.

Activities Conducted:

- **Floatix**

A mathematical game designed to assess participants' problem-solving speed and conceptual understanding.

- **Pattern Paradox**

An engaging activity based on identifying patterns, logical reasoning, and mathematical thinking.

- **Synapse Snap**

A rapid-response competition aimed at enhancing critical thinking and decision-making skills.

- **Reel Making Competition**

A creative competition where participants prepared short reels related to mathematics and its applications in an innovative and engaging manner.

- **Seminar by Dr. Navnit Jha on “Mathematical Models in Real Life”**

Dr. Navnit Jha delivered an insightful seminar discussing the relevance and applications of mathematical models in science, technology, economics, and daily life situations.

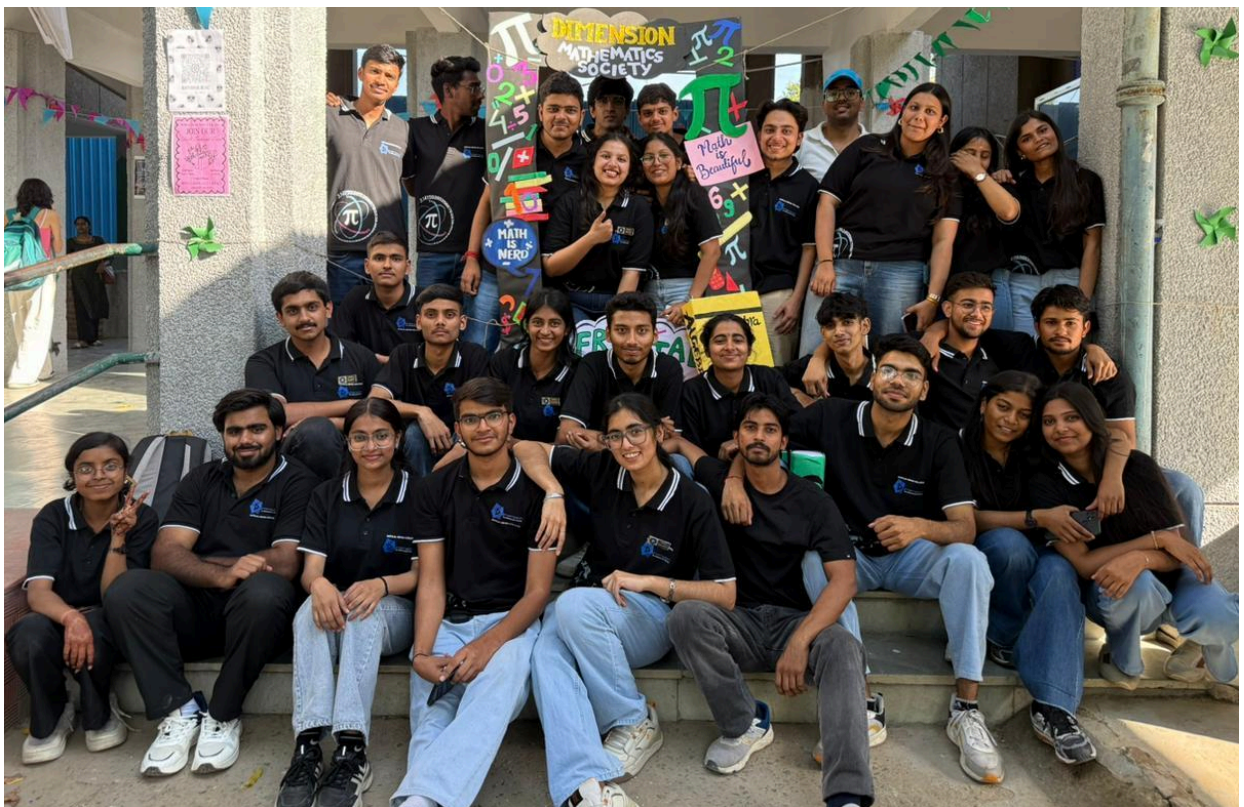

- **Axiom**

A mathematics game consisting of three rounds that tested participants' aptitude, logical reasoning, and mathematical problem-solving skills.

- **Chess Competition**

A chess competition was organized to encourage strategic thinking, concentration, and intellectual engagement among students.

Anusandhan

The Physics Society

Anusandhan, the Physics Society of Motilal Nehru College, University of Delhi, executed a rigorous calendar of specialized academic programming during the 2025–2026 session. Operating under the Department of Physics, the society prioritized concrete technical training and advanced scientific seminars, ensuring students engaged directly with contemporary research methodologies and practical experimentation.

The academic calendar commenced with a seminar on October 8, 2025, titled "The Physics Behind Astrology." Delivered by Assistant Professor Dr. Arpit Gaur, the session systematically analyzed celestial mechanics, scrutinizing planetary gravity and light transmission. By subjecting a traditionally non-scientific subject to strict empirical parameters, the lecture promoted advanced analytical debate regarding cosmic phenomena.

To ensure continuous intellectual development, the society launched the Research and Development Study Circle on November 1, 2025. Convening in Lecture Theatre-2 every alternate Saturday, these localized, student-driven sessions focused on refining presentational competencies. Participants engaged deeply with published scientific literature, distilling complex empirical data for peer review and structured academic discussion.

Following this, the society conducted an extensive LaTeX Workshop on November 8, 2025, under the aegis of the Internal Quality Assurance Cell (IQAC). Directed by Dr. Ashish Bansal of Keshav Mahavidyalaya and Dr. Piyush Bansal of St. Stephen's College, the curriculum focused on precise digital typesetting. Attendees received intensive instruction on formatting complex mathematical equations and structuring professional research papers.

Expanding technical proficiency, Anusandhan organized the "Circuit Craft" Arduino Workshop on November 15, 2025. Held in Computer Lab-1 and guided by Dr. Manohar Singh of Motilal Nehru College, this laboratory session prioritized functional hardware manipulation. Participants integrated abstract concepts of electrical conductivity into functional electronic systems through hands-on microcontroller programming and circuitry construction.

The society advanced its theoretical discourse by hosting a premier seminar on January 28, 2026. Dr. Deshdeep Sahdev from the Department of Physics at the Indian Institute of Technology (IIT) Kanpur delivered a lecture entitled "An Unconventional approach to Science and Technology." This session provided the student body with a macroscopic perspective on how critical questioning of established scientific paradigms drives technological innovation.

Extending their engagement to the broader academic community, members of the society actively participated as volunteers during the International Conference on "Frontiers in Advanced Materials, Nanotechnology, Computing, Artificial Intelligence Based Devices for Environmental and Sustainable Development" - FAMN-CAID-2026. Organized by the national seminar committee of the college, this major event took place from March 13 to 15, 2026. The society's members provided vital operational support, facilitating the execution of the multi-day international gathering.

Currently, the society is actively coordinating the publication of its annual magazine, *QUANTA 2026*. A formal call for submissions is underway, with a deadline of March 20, 2026. The editorial board is accepting scientific articles, research insights, opinion pieces on science and society, and physics-inspired creative works. Submissions are open in both English and Hindi, and the top three contributors will be awarded distinct prizes.

The extensive execution of these academic events relies upon the structural support of Motilal Nehru College and the continuous guidance of the Department of Physics faculty. The logistical coordination, managed by the dedicated student leadership, ensured disciplined event management throughout the year, solidifying Anusandhan's position as a vital center for scientific inquiry.

INERTIA 2026: Chronicling the Physics Fest

The pursuit of knowledge is much like the very concept of *inertia*—once set into motion, a curious mind becomes an unstoppable force. Over the course of three days—March 27th, 28th, and 30th, 2026—Anusandhan, the Physics Society of Motilal Nehru College, witnessed this intellectual momentum firsthand during our annual department fest, INERTIA 2026. Blending the rigorous objectivity of science with the articulate nature of literary expression, the event stands out as a monumental milestone in the society's legacy.

Inauguration of *Quanta*

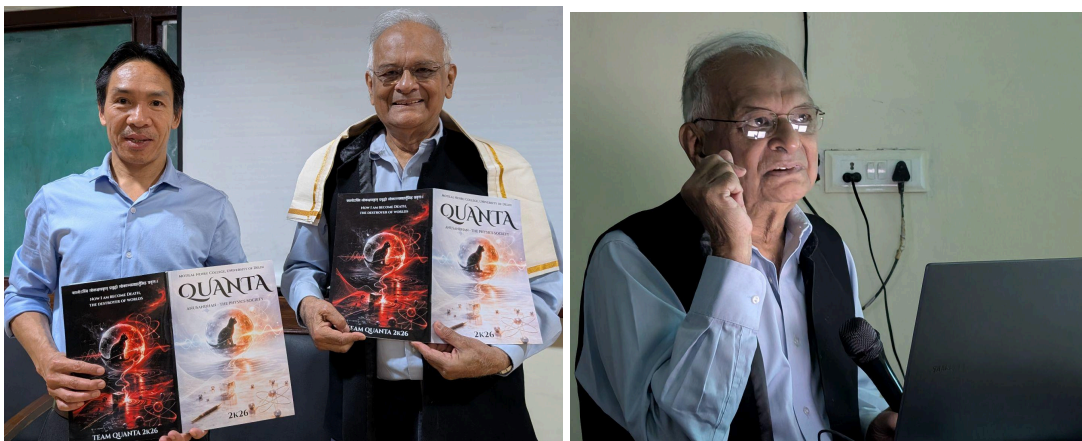

The fest commenced with an auspicious and proud moment for the department: the official inauguration of our annual magazine, *Quanta*, the society's premier publication featuring student research and scientific literature. Unveiled by our esteemed Principal, Prof. Yogeshwar Sharma, the magazine symbolizes the crystallization of our students' literary and scientific explorations. It set a profound tone for the days to follow, bridging the gap between theoretical physics and communicative art.

Luminous Minds: The Guest Lectures

At the very heart of INERTIA 2026 were the captivating discourses delivered by eminent members of the scientific community.

On the morning of March 28th, the department witnessed an insightful lecture by **Prof. Ajoy Ghatak**, a distinguished physicist and pioneer in optics. His lecture not only illuminated complex optical phenomena but also grounded them in a narrative that resonated with every aspiring physicist in LT-2. In a gesture of profound respect, Prof. Ghatak was presented with a newly minted copy of *Quanta*.

The intellectual voyage culminated on March 30th with an awe-inspiring session by **Prof. Jean Surdej**, a renowned astrophysicist and telescope pioneer. Guiding the audience through the vast expanse of the cosmos, Prof. Surdej's insights captivated the attendees, offering a vivid glimpse into the mechanics of the universe.

Student Competitions

Complementing the academic gravity of the lectures was the electric energy of the student competitions. Meticulously designed to test a wide spectrum of capabilities, the events drew a footfall of over **400** students and participation from over **20** colleges:

- **Quiz Competition (March 27th):** Students showcased their rigorous understanding of classical mechanics, space exploration, and the rich history of physics. The rapid-fire exchange of facts proved that our attendees' grasp of both everyday physics and modern discoveries is exceptional.

- **Conventional Debate (March 28th):** A true testament to the power of rhetoric. Conducted in both English and Hindi, the debate challenged undergraduates to defend their perspectives with precision and passion, proving that the articulation of a scientific thesis is just as vital as the math behind it.
- **Poster Presentation (March 27th):** Visual arts and advanced science merged beautifully here. Students explored the frontiers of human knowledge, illustrating themes ranging from AI and Machine Learning in Physics to Data-Driven Astronomy and Nanotechnology in Medical Care.
- **Open Mic Competition:** Serving as a creative bridge between the analytical and the artistic, the open mic provided a platform for students to step away from equations and share their voices through poetry, storytelling, and spoken word. It was a vibrant reminder that scientific inquiry and creative expression can seamlessly coexist within the department.
- **A Milestone Achieved**

INERTIA 2026 was not merely an event; it was a testament to the dedication and collective momentum of the Anusandhan team. The vision for this fest was fully realized under the esteemed guidance of Principal Prof. Yogeshwar Sharma, Teacher-in-Charge Dr. Y. Prem Kumar, and Convenor Dr. Prashant Kumar, driven by the tireless efforts of the student organizing committee led by the President and the core council. From high-stakes competitions to profound guest lectures, the fest successfully celebrated both scientific inquiry and intellectual expression. It stands as a vibrant milestone, undoubtedly inspiring future cohorts to keep the momentum going.

NITIGYA

Political Science

Convener – Dr. Moolchandra Singh

NITIGYA: The Political Science Subject Society of Motilal Nehru College has been a driving force in bringing students and faculty of the Department of Political Science together. It stands as a symbol of dynamic student engagement, intellectual curiosity and democratic values. The name itself i.e., The New Inspiration for Transforming India with Guided Youth Aspiration encapsulates the mission of the society: to harness the potential of youth in shaping a better and more informed democratic society. It is a platform that nurtures critical thinking, policy awareness and leadership among students, aligning academic learning with real world political understanding.

EVENTS

In 2025-26, NITIGYA society organized the following events:

1.FRESHERS

On 11th October, the NITIGYA society organized a vibrant Freshers' Party named AARAMBH HAI PRACHAND to warmly welcome the new batch and foster a sense of belonging within the department.

2. SPEAKER SESSIONS

- a. Title: The process of Development in Jammu and Kashmir – Past and Present Experiences
 - Date: 9th September ,2025
 - Venue: Seminar Hall
 - Speaker: Shri Ranjan Chauhan, National Secretary of the Jammu and Kashmir Study Centre
 - The seminar provided critical insights into the developmental trajectory of Jammu and Kashmir, particularly in the context of Article 370 and its abrogation.
- b. Title: Indian Political Theory

d. Title: Talk with Teachers (new initiative) on the Topic Postmodernism

- Date- 11th November, 2025
- Venue- J005
- Speaker – Radhika Mam- Teacher-in-charge of Department of Political Science
- The seminar explored the key ideas and debates surrounding postmodernism, examining its critique of grand narratives, objectivity, and universal truths.

e. Title: Political Economy of Urban India

- Date- 14th November, 2025
- Venue – J005
- Speaker – Prof. Tarun Arora – Associate professor and Associate dean at O.P. Jindal Global University
- The seminar examined the political economy of urbanization in India, critically analyzing official definitions of “urban” areas and their policy implications.

f. Title: Guidance session on CUET PG exam

- Date – 15th November, 2025
- Venue – LT 2
- Alumni- Deepanshu Jangra, Manya Singh, Adarsh Singh, Priyanshu Vats and Sharafat
- The session provided guidance on the CUET-PG exam pattern, syllabus, and effective preparation strategies also addressed students’ queries and offered practical insights.

g. Title: Talk with teachers (second session) on the topic India's strategic autonomy in Multipolar World

- Date: 25th February, 2026
- Venue: J101
- Speaker: Prof. Yogesh Gupta
- The seminar explored how India navigates shifting global power dynamics while safeguarding its national interests. It highlighted India's balanced approach of engaging with multiple global powers without compromising its independent foreign policy stance.

h. Title: Relevance of Political Science in Indian Administration

- Date: 26th February, 2026
- Venue: LT-2
- Speaker: Ms. Kumari Vandana (IPS)
- The seminar highlighted how theoretical insights shape effective governance and policy-making in India. It also included an engaging discussion on pathways to administration, guiding students on careers in civil services and public administration.

3. EDUCATIONAL TRIPS

a. Supreme Court

- Date: 17th January ,2025
- For the students and faculty members of Department of Political Science
- The trip organized for better understanding of the functioning of judiciary.

b. Constitution Museum located at O.P. Jindal Global University

- Date: 29th January ,2026
- For the students and faculty members of Department of Political Science
- The trip offered students experiential learning beyond the classroom and enriched their understanding of constitutional values through interactive engagement.

c. Chanakya Defense Dialogue at Manekshaw Centre

- Date: 27th-28th November ,2025
- 10 Students from the Department of Political Science participated in it.
- The dialogue drew intellectual inspiration from Chanakya (Kautilya) and his seminal work, the Arthashastra, which outlines principles of diplomacy, warfare, and governance.

d. Youth Parliament by You can Foundation and Career Honours

- Date: 31st January, 2026
- 11 students from the department of Political Science participated in it.
- A competition that provided students with a platform to simulate parliamentary proceedings and engage in structured debates.

e. Parliament Visit

- Date: 30th April, 2026
- For the students of Third Year, Department of Political Science
- The visit provided students with an opportunity to observe the functioning of India's Parliament, including guided exposure to both the Lok Sabha and Rajya Sabha by officials from the Parliament Secretariat.
- Students also visited the galleries showcasing India's cultural heritage, including models and representations of famous monuments, temples, and the grandeur of the nation.
- The visit further included a tour of the Old Parliament building and the Constituent Assembly Hall, offering insights into India's constitutional history and legacy.

4.CONSTITUTION CONCLAVE

On Constitution Day i.e. 26th November,2025 NITIGYA organized the Constitution Conclave event where Quiz and debate competitions related to Indian Constitution were held in which students participated in large numbers. An Open Mic competition and Mini games were also organized at the Quadrangle. A copy of the original constitution was gifted to the College Principal by the faculty members of the Department of Political Science.

5. PARAKRAM DIWAS

On the occasion of Parakram Diwas i.e. Birth anniversary of Netaji Subhash Chandra Bose, an Essay writing and Extempore Competition related to his contribution in India's freedom struggle were organized by the NITIGYA. Students from various departments and colleges participated in these competitions.

6. BAITHKI – INFORMAL DISCUSSION

On 7th February, 2026 NITIGYA organized BAITHKI i.e. an informal discussion on the topic 'From Farming to Aura Farming', which metaphorically explains the generational transition and the challenges associated with it. This discussion was an insightful one as students shared their experiences and opinions on the said topic.

7. VOICE OF HER- GRIEVANCE AND DISCUSSION GROUP

a. UNSETTLED ISSUES LET IT OUT

On 13th February, 2026 NITIGYA organized a discussion and grievance event for the girls of the Political Science department. The event was attended by the girls in large numbers. Participants showed immense courage and trust by opening about their personal traumas. This event has had a positive impact on their personality — that they felt lighter, stronger, and more confident after letting their feelings out.

b. BREAKING THE STEREOTYPES

On 10th April, 2026 NITIGYA organized the second session of *Voice of Her* on the theme “*Breaking the Stereotypes*.” The session focused on challenging societal stereotypes related to women and encouraging open discussions. Participants discussed everyday gender stereotypes, the case study of Dalit women in Kerala known as *The Breast Tax*, and the web series *Chiraiya* under “*The Wall of Change*” segment. The session concluded with an anonymous positive compliment activity that encouraged participants to support and uplift one another.

c. MODERN WOMEN VS SOCIETY’S EXPECTATIONS

On 17th April, 2026 NITIGYA organized the third session of *Voice of Her* at J101 on the theme “*Modern Women vs Society’s Expectations*.” The discussion explored the pressures and expectations faced by women in contemporary society. A major highlight of the session was the participation of male students, making the discussion more inclusive and encouraging diverse perspectives on gender roles and social expectations

8. WALK THE TALK – SOCIAL JUSTICE

On the occasion of World Day of Social justice i.e. 20th February, 2026 NITIGYA organized a walk and discussion session at the India gate on the importance and significance of social justice.

9. NITIGYA X NSS COLLABORATION

On the occasion of Children’s Day, NITIGYA and NSS society made a collaboration for the celebration of Children’s Day with the underprivileged kids. Students from both the societies purchased some gifts for the kids from their own money and enjoyed the day with fun activities and games.

10. NITI UTSAV'26 – ANNUAL DEPARTMENT FEST

The Department of Political Science successfully organized its annual fest NITI UTSAV 2026, a two-day academic and cultural extravaganza aimed at fostering intellectual engagement, creativity, and critical discourse among students.

DAY 1 (27th March): INAUGURAL EVENTS & CULTURAL EVENING

1. Launch of Annual Magazine – VIMARSH. The fest commenced with the formal launch of the department's annual magazine "VIMARSH." The theme of the magazine, "Women: Transforming Pain into Power," highlighted narratives of resilience, identity, and empowerment.

2. Panel Discussion

Topic: Women's Question: Identity, Recognition and Representation

An insightful and thought-provoking panel discussion was conducted, addressing critical dimensions of women's identity and their representation in society and politics.

Esteemed Speakers:

Dr. Mallarika Sinha Roy, Assistant Professor, Centre for Women's Studies, JNU and Dr. Shobha Vijender, a renowned Social Worker were the esteemed speakers in the session.

3. Vote and Vyangya – Kavi Sammelan

The first day concluded on a vibrant and engaging note with “Vote and Vyangya,” a Kavi Sammelan blending humor with political satire.

Guest Poets: Dr. Abhipray Tripathi and Rajpal Singh

DAY 2 (28th March): COMPETITIONS & STUDENT ENGAGEMENT

The second day of NITI UTSAV focused on student participation through a series of thoughtfully curated competitions.

1. NITI SABHA – Youth Parliament

This event simulated parliamentary proceedings, providing participants with a platform to debate and deliberate on the Women Reservation Bill.

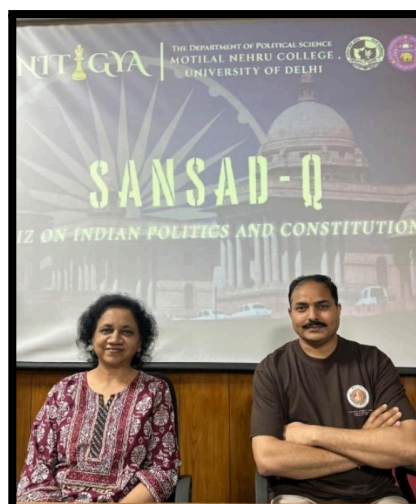

2. JANMAT – Election Mandate Competition

A first-of-its-kind initiative by the department, JANMAT required participants to represent electoral candidates and present their mandate to the public.

3. SANSADQ – Quiz Competition

The quiz was intellectually enriching and encouraged students to deepen their understanding of governance and democratic systems. The competition recorded more than 100 participants from multiple colleges and departments.

4. NAZARIYA – Short Film Making Competition

NAZARIYA invited students to express social realities through cinematic storytelling. The theme of the competition revolved around “The Women’s Question: Identity, Recognition & Representation which brought out some very thought provoking stories challenging societal norms.

5. GOONJ – Open Mic & Mini Games

Adding a lively and interactive dimension to the fest, “GOONJ” was organized as an open mic platform combined with fun mini games, which engaged the whole college throughout the day.

NITI UTSAV 2026 was a grand success, seamlessly blending academic discourse, creative expression, and student participation. The fest not only provided a platform for intellectual engagement but also encouraged students to reflect on pressing societal issues, particularly those related to gender equality and political participation.

11. DEPARTMENT SPORTS TOURNAMENT

- Date: 18th April, 2026
- The Department Sports Tournament was successfully conducted with enthusiastic participation from students across all three years. The event aimed to promote teamwork, sportsmanship, and healthy competition within the department.
- The tournament featured three major events:
 - Political Premier League (Cricket)
 - Rally Republic (Badminton)
 - Checkmate Council (Chess)
- In the Political Premier League, the Second-Year team emerged as the winners.
- In Rally Republic, Vansh and Vyomesh secured victory with their remarkable performance in badminton.
- In the Checkmate Council, Vansh and Vyomesh were declared joint winners.

12. FAREWELL – PUNARDARŚHANĀYA : A PROMISE TO MEET AGAIN

On 25th April, 2026 the Department of Political Science organized the farewell event “*Punardarśhanāya: A Promise to Meet Again*” at J005 for the graduating batch. The event was filled with cultural performances, memories, and heartfelt moments celebrating the journey and contributions of the outgoing students. Faculty members and juniors extended their best wishes, making the farewell a memorable occasion for everyone present.

ATHARVA

THE DEPARTMENT OF SANSKRIT

The Department of Sanskrit at Motilal Nehru College has emerged as a vibrant center of cultural, academic, and creative excellence through its dynamic student body, “ATHARVA.” Established with the vision of promoting Sanskrit language, Indian knowledge traditions, and holistic student development, ATHARVA has become a symbol of enthusiasm, discipline, and innovation among students. The organization continuously works to create an environment where traditional values meet modern ideas, encouraging students to participate actively in educational, cultural, and social activities.

ATHARVA regularly organizes seminars, competitions, educational trips, and awareness programmes that help students explore the richness of Indian heritage and Sanskrit literature. From academic discussions on ancient philosophy and scriptures to engaging activities like debates, poetry recitation, drama, and creative writing, ATHARVA provides students with a platform to express their talents and sharpen their skills. These activities not only strengthen students’ academic understanding but also develop confidence, leadership qualities, and teamwork.

The organization is equally active in strengthening student unity and creativity through farewell celebrations, fresher events, and media initiatives. ATHARVA’s student volunteers work tirelessly to manage event coverage, design creative content, and maintain communication among students. Their efforts showcase the energy and dedication of the student community. The motto “ज्ञानं परमं बलम्” beautifully represents the spirit of ATHARVA, emphasizing that knowledge is the greatest strength.

Teachers and students together contribute to making ATHARVA a successful and inspiring platform. The organization has become more than just a departmental society; it is now a family where students learn values, culture, discipline, and leadership alongside academic excellence. Through its continuous efforts, ATHARVA is not only promoting Sanskrit and Indian traditions but also shaping responsible, confident, and culturally aware youth for the future.

Inter-College Competition of Shlok Gayan and Prashna Manch

(13th March 2026)

The Atharva Sanskrit Society of Motilal Nehru College, University of Delhi, hosted a vibrant Inter-College Competition of Shlok Gayan and Prashna Manch on 13 March 2026. The event celebrated the richness of Sanskrit through melodious verse recitations and an engaging quiz on literature, culture, and scriptures. Students from various colleges showcased exceptional talent, pronunciation, and scholarly insight. Esteemed guests, including Associate Professor Somveer, Professor Nisha Goyal, and Principal Yogeshwar Sharma, graced the occasion. The program fostered cultural exchange and intellectual growth, concluding with prize distribution and appreciation for all participants' dedication to Sanskrit.

The programme began with the traditional lamp lighting ceremony and welcome address by the organizing team of ATHARVA. Faculty members and guests appreciated the efforts of the students in organizing such a successful event. The competitions were conducted smoothly with proper coordination and enthusiastic support from volunteers.

Students from different colleges Hindu, Hansraj, Ramjas, Gargi, Maitreyi, etc. participated in various competitions and showcased their skills with confidence and dedication. The atmosphere of the event was full of excitement, learning, and positive energy. Participants got an excellent opportunity to interact with students from other institutions and display their talents on a larger platform.

The judges praised the participants for their creativity, confidence, and remarkable performances. Winners were awarded certificates and prizes as a token of appreciation for their hard work and excellence. The event not only promoted academic and cultural activities but also strengthened unity and friendship among students from different colleges.

The entire event turned out to be a grand success due to the dedication and teamwork of Team ATHARVA. Such programmes inspire students to explore their potential and contribute towards building a vibrant educational and cultural environment.

Science in Sanskrit literature
(27th March 2026)

A seminar titled “Science in Sanskrit Literature” was successfully organized on 27 March 2026 by the Atharva Society, Department of Sanskrit, in the seminar room of the college. The event witnessed active participation from students and faculty members, making it an engaging academic gathering. The seminar was graced by eminent dignitaries. The Chief Guest, Prof. Brajesh Kumar Pandey (Rector-1, Jawaharlal Nehru University), shared his valuable insights on the scientific dimensions embedded in Sanskrit texts. The distinguished speaker, Prof. Dayashankar Tiwari (Department of Sanskrit, University of Delhi), elaborated on the relevance of ancient knowledge systems in the modern scientific context. The event was also honored by the presence of the Principal, Yogeshwar Sharma, and the Head of the Department, Dr. Priyanka Chaurasiya.

The primary objective of the seminar was to highlight the scientific aspects found in Sanskrit literature, including fields like astronomy, mathematics, Ayurveda, and environmental studies. The speakers emphasized how ancient Sanskrit texts continue to offer valuable knowledge even today.

The event witnessed enthusiastic participation from students and faculty members. The speakers discussed how ancient Sanskrit scriptures contain valuable knowledge related to astronomy, mathematics, medicine, yoga, architecture, and environmental science. Various examples from texts like the Vedas, Ayurveda, and works of ancient scholars were presented to explain the scientific thinking of ancient India.

The programme encouraged students to look at Sanskrit not only as a classical language but also as a storehouse of wisdom and scientific understanding. The speakers explained complex ideas in a simple and interesting manner, making the session highly engaging and informative for everyone present.

Students actively participated in discussions and asked thought-provoking questions during the interactive session. The event created curiosity among the audience and inspired them to explore the relevance of Sanskrit literature in modern scientific studies. The programme concluded with a vote of thanks to the guests, faculty members, participants, and the organizing team. The event was a great success and reflected the

continuous efforts of Team ATHARVA in promoting knowledge, culture, and intellectual growth among students.

Contemporary Methods for Mental Peace and Stress Control

(10th April 2026)

In an effort to address the pressing concerns of modern-day stress and emotional well-being, the Atharva Sanskrit Parishad, in collaboration with IQAC, organized a one-day enlightening lecture session on 10 April 2026 on the theme “Contemporary Methods for Mental Peace and Stress Control” The session aimed to create awareness about the importance of mental balance while offering practical and accessible solutions rooted in both contemporary thought and holistic understanding.

The lecture was eloquently delivered by Ms. Sema Rani, Assignment Professor at IGNOU, who captivated the audience with her insightful perspectives and effective strategies for achieving inner peace amidst the challenges of today’s fast-paced life. The event was hosted at Motilal Nehru College, University of Delhi, and was graced by the esteemed presence of Dr. Priyanka Chaurasiya, Head of the Department, and Dr. Yogeshwar Sharma, Principal. Their presence added dignity and inspiration to the occasion, making it a truly enriching and memorable academic experience for all.

The session highlighted the growing mental pressure faced by students and emphasized the need to maintain inner peace for a healthy and successful life. The resource persons explained how ancient Indian wisdom and modern psychological techniques can work together to create a balanced and peaceful lifestyle.

Students actively interacted during the session and shared their views and experiences related to stress management. The event created a positive and motivating atmosphere, encouraging everyone to focus on self-care, mindfulness, and emotional strength.

विभागस्य कुरुक्षेत्र-शैक्षणिक-भ्रमणम्
Departmental Trip to Kurukshetra
(13th April 2026)

The Department of Sanskrit, “ATHARVA,” of Motilal Nehru College successfully organized an educational trip to Kurukshetra, the sacred land of the Mahabharata and an important center of Indian culture and spirituality. The trip aimed to provide students with practical knowledge of Sanskrit heritage, ancient traditions, and historical values beyond the classroom. Students visited famous places such as Brahma Sarovar, Jyotisar, and other cultural sites, where they learned about the significance of the Bhagavad Gita and India’s rich philosophical traditions. The visit was both educational and inspiring, helping students connect deeply with Indian history and Sanskrit literature. The trip was conducted under the guidance of faculty members and became a memorable and enriching experience for all participants.

The journey to Kurukshetra was filled with enthusiasm, learning, and cultural exploration. Students of the Sanskrit Department “ATHARVA” actively participated in discussions, group activities, and heritage visits that strengthened their understanding of ancient Indian knowledge systems. They experienced the spiritual

atmosphere of the holy city and gained valuable insights into Vedic traditions, dharma, and the teachings of the Bhagavad Gita. The trip also encouraged teamwork, discipline, and a sense of unity among students. Such educational excursions play an important role in connecting academic studies with real-life experiences, making learning more meaningful and memorable.

सर्वांगीण विकास में योग की भूमिका Role of Yoga in All-Round Development (21st April 2026)

Team Atharva of the Sanskrit Department successfully organized an inspiring event on the topic “Role of Yoga in All-Round Development” in the college premises. The program aimed to spread awareness about the importance of yoga in maintaining physical, mental, and spiritual well-being. Students and faculty members participated enthusiastically and learned how yoga helps in developing concentration, discipline, confidence, and inner peace. Various yoga postures and breathing techniques were demonstrated, showing their positive effects on health and daily life. The speakers highlighted that yoga is not only an exercise but also a way of life that leads to personality development and balanced living. The event concluded with a message that regular practice of yoga can help students achieve success in academics as well as in personal life. Team Atharva’s efforts made the event meaningful and memorable for everyone.

The event was conducted under the guidance and support of the respected Principal of the college, whose encouragement motivated the organizing team and participants alike. Faculty members, students, and guests enthusiastically participated in the programme and appreciated the meaningful initiative taken by Team ATHARVA.

The speakers highlighted how yoga helps in developing concentration, discipline, confidence, and inner peace. They explained that yoga is not merely a form of physical exercise but a complete way of life that promotes harmony between body and mind. Various aspects of yoga such as meditation, breathing techniques, and healthy lifestyle practices were discussed in detail during the session.

The programme also emphasized how regular practice of yoga can reduce stress, improve mental health, increase positivity, and contribute to the all-round development of an individual. Students actively participated in discussions and showed great interest in learning practical methods to maintain a balanced and healthy lifestyle.

The event concluded with a heartfelt vote of thanks to the respected Principal, faculty members, guests, participants, and the organizing team for making the programme successful. The event proved to be highly informative and inspiring, reflecting Team ATHARVA's continuous commitment towards promoting wellness, cultural values, and holistic development among students.

TEAM ATHARVA

Team ATHARVA continues to work with dedication and enthusiasm towards promoting knowledge, culture, wellness, and holistic development among students. Through such meaningful programmes and activities, the team strives to create an environment of learning, creativity, and unity. The successful organization of

these events reflects the hard work, coordination, and commitment of Team ATHARVA in inspiring students and preserving the rich values of Sanskrit and Indian tradition.

TEDX

TEDx Motilal Nehru College is a dynamic student-led society committed to fostering skill enhancement, youth empowerment, and intellectual growth among students. The society serves as a platform where powerful voices, innovative ideas, and inspiring experiences come together to create meaningful conversations. Through engaging speaker sessions and interactive competitions, TEDx Motilal Nehru College encourages students to think critically, communicate confidently, and explore their potential beyond academics. The society aims to inspire young minds by connecting them with influential personalities, changemakers, and thought leaders from diverse fields. It promotes creativity, leadership, and social awareness while nurturing an inclusive and progressive learning environment. By encouraging dialogue and participation, the society continuously works towards building a community driven by ideas and positive change. TEDx Motilal Nehru College strives to empower students to become responsible individuals capable of contributing meaningfully to society.

Event 1: Red Dot Chronicle

Objective

The objective of *Red Dot Chronicle* was to provide students with a platform to express their thoughts, ideas, and experiences confidently. The event aimed to encourage public speaking, creativity, and self-expression while promoting meaningful conversations among students.

About the Event

Red Dot Chronicle was organized as a mini TEDx-style speaking competition within the college premises. The event witnessed enthusiastic participation from students who delivered impactful talks on diverse themes and social issues. Participants used the platform to share their perspectives, personal experiences, and innovative ideas with confidence and clarity. Esteemed faculty members of the college served as judges, evaluating the participants on the basis of content, presentation skills, and originality of thought. The event created an engaging and intellectually stimulating environment that encouraged students to step forward and make their voices heard.

Social Impact

The event played a significant role in boosting students' confidence and communication skills while fostering a culture of open dialogue and idea-sharing. It encouraged young individuals to express themselves fearlessly and inspired participants as well as the audience to think critically about social and personal issues. *Red Dot Chronicle* successfully strengthened the spirit of youth empowerment and provided a meaningful platform for emerging student voices.

Event 2: TEDx Motilal Nehru College — “*Illusions We Create*”

Objective

The primary objective of the annual TEDx event, “*Illusions We Create*,” was to encourage individuals to question perceptions, challenge societal constructs, and explore the realities hidden beneath assumptions and limitations. The event aimed to create a platform where diverse ideas, experiences, and perspectives could inspire students toward personal growth, innovation, and social awareness.

About the Event

TEDx Motilal Nehru College successfully organized its flagship annual TEDx event at the Indian Mountaineering Foundation under the thought-provoking theme “*Illusions We Create*.” The event brought together an inspiring lineup of accomplished speakers from diverse fields including entrepreneurship, education, fitness, business, media, technology, wellness, and social leadership. Distinguished personalities shared their journeys, insights, and experiences, encouraging the audience to look beyond societal illusions and discover authenticity, purpose, and innovation.

The event witnessed enthusiastic participation from students, faculty members, and attendees from different institutions, creating an atmosphere of intellectual exchange and meaningful dialogue. Through impactful talks and engaging sessions, the event embodied the true spirit of TEDx — “*Ideas Worth Spreading*.” The organizing team of TEDx Motilal Nehru College successfully managed the event with professionalism, creativity, and dedication, making it one of the major highlights of the society’s tenure.

Social Impact

The event inspired students and attendees to think critically about the narratives and perceptions that influence everyday life. By listening to influential speakers and changemakers, participants gained valuable insights into leadership, resilience, mental growth, innovation, and self-belief. The TEDx platform

encouraged meaningful conversations, broadened perspectives, and motivated young individuals to break barriers created by fear, doubt, and societal expectations. “*Illusions We Create*” successfully strengthened the culture of idea-sharing, youth empowerment, and intellectual curiosity within the college community and beyond.

Event 3: Red Dot Chronicle 2.0 — “Where We Come From”

Objective

The objective of *Red Dot Chronicle 2.0* was to provide students with an expressive and inclusive platform to share their stories, perspectives, and experiences through public speaking and creative performances. Centered around the theme “*Where We Come From*,” the event aimed to celebrate individuality, identity, personal journeys, and the diverse backgrounds that shape every individual’s voice and vision.

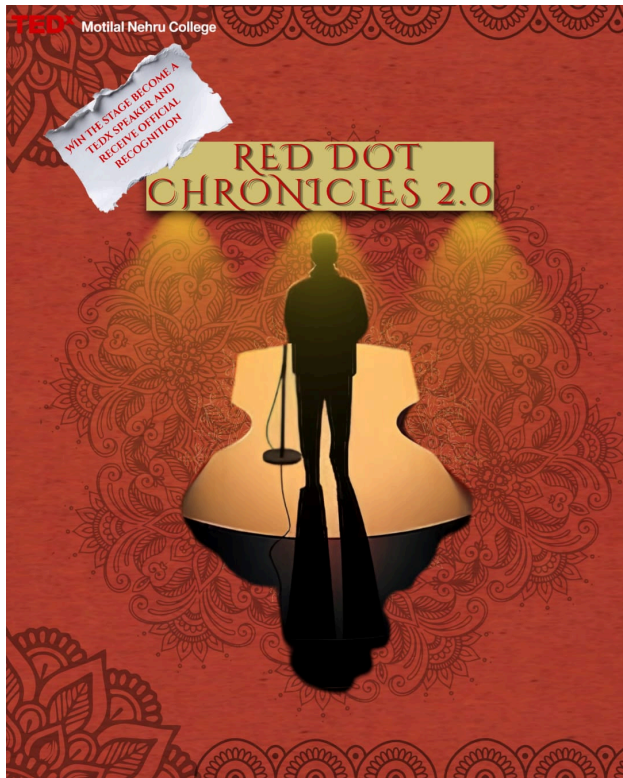

About the Event

Organized on 21st April at the college Quadrangle, *Red Dot Chronicle 2.0* was conducted as a pre-event leading up to the flagship TEDx annual conference. The event was designed as a blend of a TEDx-inspired speaking platform and an open mic competition, allowing students to express themselves through speeches, storytelling, poetry, and personal narratives. Participants enthusiastically reflected upon the theme “*Where We Come From*,” highlighting stories of culture, struggles, growth, memories, aspirations, and self-discovery.

The event created a vibrant and engaging atmosphere within the college campus, encouraging students to connect emotionally through shared experiences and authentic conversations. Along with the speaking sessions and performances, interactive mini-games and fun activities were organized to enhance student participation and foster a sense of community and inclusivity. The event successfully transformed the Quadrangle into a space of creativity, expression, and meaningful dialogue.

Social Impact

Red Dot Chronicle 2.0 encouraged students to embrace their identities and take pride in their personal journeys and backgrounds. By creating a safe and welcoming environment for expression, the event promoted confidence, empathy, emotional connection, and youth engagement. The theme “*Where We Come From*” resonated deeply with participants and the audience, inspiring individuals to appreciate diversity and understand the experiences that shape people’s lives. The event strengthened interpersonal connections within the student community while continuing TEDx Motilal Nehru College’s mission of empowering voices and spreading impactful ideas.

Event 4: TEDx Motilal Nehru College — “Where We Come From”

Objective

The objective of the annual TEDx event “Where We Come From” was to encourage individuals to reflect upon their roots, experiences, identities, and journeys that shape their perspectives and aspirations. The event aimed to celebrate diversity, authenticity, and the stories that connect people beyond differences while inspiring students through powerful ideas and transformative experiences.

About the Event

TEDx Motilal Nehru College successfully organized its flagship annual TEDx event on 28th April at the prestigious Indian Mountaineering Foundation Auditorium under the impactful theme “Where We Come From.” The event brought together renowned speakers, entrepreneurs, educators, creators, wellness experts, industry leaders, and changemakers from diverse professional backgrounds. Through their inspiring talks and personal experiences, the speakers highlighted how one’s roots, struggles, culture, identity, and life experiences contribute to shaping success, purpose, and individuality.

The event witnessed enthusiastic participation from students, faculty members, and attendees from different institutions, creating a vibrant atmosphere of intellectual exchange and meaningful discussions. Each session encouraged the audience to embrace their journeys and recognize the importance of personal experiences in building resilience, innovation, and leadership. The organizing team of TEDx Motilal Nehru College executed the event with professionalism, creativity, and dedication, making it one of the most significant highlights of the tenure. Information regarding the event and speakers was also featured on the official TEDx platform and the society’s social media handles.

Social Impact

“Where We Come From” created a strong emotional and intellectual impact on the audience by encouraging individuals to appreciate their backgrounds, struggles, and personal journeys. The event inspired students to embrace authenticity, break societal limitations, and transform their experiences into strength and motivation. By bringing together diverse voices and perspectives, the event fostered empathy, inclusivity, self-expression, and meaningful dialogue among young minds. It successfully strengthened the culture of idea-sharing and youth empowerment while continuing the TEDx mission of spreading impactful ideas within society.

Química: The Chemical Society

QUIMICA -

The Chemical Society continued its journey of promoting scientific temperament, innovation, and enthusiasm for chemistry throughout the academic session 2025-2026. The society actively organized academic and co-curricular activities aimed at enhancing students' knowledge, research aptitude, and practical understanding of chemistry beyond the classroom.

The society successfully conducted seminars, educational interactions, and academic trips that encouraged students to explore the diverse applications of chemistry in research, industry, and everyday life. Through collaborative learning and active participation, QUIMICA provided students with opportunities to broaden their scientific outlook and develop professional skills.

Major Activities Conducted

1. Interactive Seminar by Dr. D. S. Rawat

QUIMICA - The Chemical Society organized an insightful and interactive seminar featuring distinguished academician Dr. D. S. Rawat as the guest speaker. The seminar witnessed enthusiastic participation from students and faculty members.

During the session, Dr. Rawat interacted with students and shared his valuable experiences from the field of chemistry and academic research. He provided detailed insights into the field of Organic Chemistry and explained its significance in modern scientific research and industrial applications. His discussion helped students understand the practical relevance of organic compounds and ongoing developments in the discipline.

Dr. Rawat also introduced students to the academic environment and research culture of Kumaun University. He spoke about the various projects, research initiatives, and academic works undertaken by him and his university. His interaction inspired students to explore research opportunities and pursue higher studies in chemistry.

The seminar proved to be highly informative and motivational for all attendees, encouraging students to strengthen their scientific curiosity and research-oriented thinking

2. Educational Trip to Agra -

Taj Mahal Visit As part of its experiential learning initiatives, QUIMICA - The Chemical Society organized an educational trip to Agra. The visit provided students with an opportunity to explore one of India's most iconic historical monuments, the Taj Mahal.

The trip served as a blend of educational exposure and recreational learning. Students observed the architectural brilliance and historical significance of the monument while also gaining awareness about the materials, craftsmanship, and preservation techniques associated with historical structures.

The visit encouraged interaction among students and strengthened teamwork, coordination, and cultural appreciation. Students actively participated throughout the journey and gained memorable experiences outside the academic environment.

The Agra trip was successfully conducted under proper guidance and supervision, making it an enriching and enjoyable experience for all participants.

3.

Freshers' Welcome Programme

QUIMICA - The Chemical Society organized a warm and enthusiastic Freshers' Welcome Programme to greet the newly admitted students and introduce them to the activities and vision of the society. The event aimed to create a friendly and interactive environment for freshers and help them feel connected to the department.

The programme included introductory sessions, interactive activities, cultural performances, and fun games that encouraged participation and interaction among students. Senior students shared their academic

experiences and guided the newcomers regarding departmental activities and opportunities available through the society.

The event was filled with excitement and positivity, strengthening the bond between juniors and seniors and promoting a spirit of unity within the department.

4. Farewell Programme

QUIMICA - The Chemical Society also organized a heartfelt Farewell Programme for the outgoing students. The event was conducted to celebrate the achievements, memories, and contributions of the senior batch during their academic journey.

The farewell included cultural performances, speeches, fun activities, and moments of appreciation dedicated to the graduating students. Faculty members and juniors extended their best wishes to the seniors for their future endeavors and professional success.

The programme created an emotional yet joyful atmosphere, allowing students to cherish their memorable moments together before moving on to the next phase of their lives.

Achievements and Participation -

Active participation of students in society activities and seminars.

Enhancement of scientific awareness and research interest among members.

Successful organization of educational and interactive events.

Promotion of teamwork, leadership, and communication skills among students.

Conclusion

The academic session 2025-2026 was productive and engaging for QUIMICA - The Chemical Society. Through seminars, academic interactions, and educational visits, the society successfully fulfilled its objective of promoting scientific learning and intellectual growth among students.

The society looks forward to organizing more innovative activities, workshops, and educational programs in the coming years to continue inspiring students towards excellence in chemistry and scientific research.

MEDIA CELL

Introduction:

The Media Cell serves as the creative and communication backbone of the college societies, dedicated to promoting their vision, activities, and achievements through effective digital engagement and strategic content management. It is responsible for building a strong public presence by creating impactful visual and written content, managing official social media platforms, and ensuring timely dissemination of information.

Beyond publicity, the Media Cell plays a vital role in strengthening collaboration among societies, preserving institutional milestones, and supporting students through academic initiatives. By combining creativity with effective communication, the Media Cell enhances student participation, fosters a sense of community, and contributes significantly to the professional image and outreach of the college.

Events/ Initiatives:

Media Cell Initiatives and Contributions

During the tenure, the Media Cell played a crucial role in strengthening the society's digital presence, enhancing member engagement, and ensuring effective communication of activities and achievements.

Newsletter: Motilal Chronicles

The Media Cell conceptualized and managed Motilal Chronicles, a dedicated content series aimed at highlighting society activities, member achievements, event coverage, and insightful updates. This initiative served as a platform to document and showcase the vibrant culture and accomplishments of the societies and College.

The newsletter is the platform of the students, by the students and for the students under the visionary guidance of our conveners Prof. Moolchand & Prof. Karmveer Dhurandhar and gracious patronage of our honourable principal sir Prof. Yogeshwar Sharma.

Newsletter encapsulates national and international news, while also giving due space to happenings & new developments in the campus. The newsletter features contributions and achievements of students across the college in various forms including, but not limited to, literary pieces and photographs.

The special ‘Alumni Spotlight’ brings aboard distinguished alumni of the college. The section features their reflections of the campus, their journeys in the professional world and how the college shaped them as an individual & professional. This helps the current batches know about the previous glory of the college.

Society Connect

Through Society Connect, the Media Cell fostered stronger interaction among societies by promoting collaborative communication and engagement. The initiative helped bridge the gap between different societies, encouraged participation in society activities, and strengthened the overall sense of community.

‘Society Connect’ strives to give space to all the societies - including those in their budding phase- to advertise their achievements and what they bring to the table for the pupil. The newsletter contains ‘Society news’ which informs about the activities of various departmental and extra-curricular societies in the college. Since societies get featured in the newsletter, this also provides impetus to societies to boost their activities and hence, making college a place of vibrancy.

Academic Resources (PYQ Repository)

To support students academically, the Media Cell contributed to the creation and dissemination of a comprehensive Previous Year Question (PYQ) Repository. This resource enabled students to access relevant study materials conveniently and enhanced academic preparedness across batches.

The PYQ Repository was duly inaugurated by our honorable Principal sir in the esteemed presence of our conveners and august participation of respected faculty members. The repository has previous - year questions from the implementation of New Education Policy (NEP). PYQs of all the Discipline Specific Courses (DSCs), Generic Elective (GEs), Skill Enhancement Courses (SEC), Value added courses (VACs) and Discipline Specific Electives (DSEs) have been collected and uploaded.

This ensures a smooth preparation for semester exams and a designated place for relevant study material, enabling students to work smart and hard simultaneously.

Management of College Social Media Handles

The team efficiently managed the society’s social media presence by regularly creating and publishing engaging content, promoting events, sharing important announcements, and maintaining consistent

interaction with the student community. This significantly improved the visibility and outreach of the College.

College became more visible on Instagram resonating with students and the young generation's interest.

Graphics Management for the Annual Fest

The Media Cell was responsible for designing and managing graphical content for the Annual Fest, including posters, banners, social media creatives, promotional materials, and event branding. These efforts contributed to the professional presentation and successful promotion of the fest.

Through its collaboration, Media Cell managed the event in an efficient manner- from managing the digital presence to managing the crowd- volunteers helped the student union in conducting the fest in a decent manner.
