**Subject: Admission announcement for On-campus academic programs being offered at Indian Institutes of Public Health (IIPHs) under the aegis of PHFI for academic session 2019-20**

Dear Sir/Madam,

Greetings from PHFI!

As you may be aware Public Health Foundation of India (PHFI), is a public private initiative supported by the Ministry of Health & Family Welfare, Govt. of India, State Governments as well as multiple stakeholders. On March 28, 2006, organization was launched in Delhi by the then Prime Minister of India. It has a strong technical pool of multidisciplinary professionals and is recognized as a Scientific and Industrial Research Organization (by DSIR, Government of India). It is also designated as one of the six Global Health Systems Centre by the WHO.

The five campuses of Indian Institutes of Public Health (IIPHs) under the aegis of PHFI are located in Delhi NCR (Gurgaon), Hyderabad (Telangana), Gandhinagar (Gujarat) Bhubaneswar (Odisha) and Shillong (Meghalaya), which offer on-campus as well as eLearning academic programs. The **Indian Institute of Public Health-Delhi (IIPH-Delhi)** is a joint initiative of Government of NCT of Delhi, India and Public Health Foundation of India (PHFI). IIPH-Delhi and other IIPHs conduct various professional and academic programs that results in a certificate, diploma, degree or doctoral qualification.

**IIPHs have announced its call for applications for the following On-campus academic programs for the academic year 2019-20:**

- Master of Public Health (offered at IIPH-Delhi, Gandhinagar and Hyderabad)
- Integrated MSc & PhD in Clinical Research (offered at IIPH-Delhi)
- Integrated MSc & PhD in Health Informatics (offered at IIPH-Hyderabad)
- Master of Hospital Administration (offered at IIPH-Gandhinagar)
- Post Graduate Diploma in Public Health Management (offered at IIPH-Delhi, Bhubaneswar, Gandhinagar and Hyderabad)

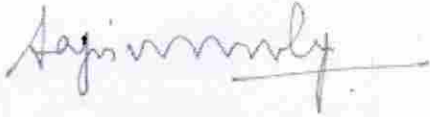

The program poster for the academic session 2019-20 is enclosed herewith for your reference. For any further information, please visit our website (<https://phfi.org/on-campus-courses/>).

We request you to kindly disseminate this program information among your students, faculty and research staff and please put up the poster on your institutions notice board.

We would be grateful if you can also allow us to visit your institute and provide us an opportunity to present a student seminar on 'Role of Public Health in India and career opportunities in Public Health'.

We would be happy to provide any further information or clarifications as you may desire.

Thanking you and warm regards,

**Prof. Sanjay Zodpey, MD, PhD**

Vice President - Academics, Public Health Foundation of India, New Delhi

Director - Indian Institute of Public Health, Delhi
